STATE BOARD OF EMBALMERS AND FUNERAL DIRECTORS,	)	
Petitioner,	)	
v.	)	Case Number 10-1911 EM
BRIAN WINTERS,	)	
Respondent.	)	

FINDINGS OF FACT, CONCLUSIONS OF LAW AND DISCIPLINARY ORDER

At its regularly scheduled meeting on September 28, 2011 at approximately 3:20p.m., pursuant to notice duly served upon Respondent, the State Board of Embalmers and Funeral Directors (the "Board") took up for hearing to determine the level of discipline to impose upon the funeral director and embalmer licenses held by Respondent Brian Winters ("Winters"). The Board held the hearing at the Division of Professional Registration, 3605 Missouri Boulevard, Jefferson City, Missouri.

The Board appeared by and through its counsel, Stephanie White-Thorn, Assistant Attorney General. Winters appeared in person. Sharon Euler, Legal Counsel with the Division of Professional Registration served as hearing advisor to the Board.

On July 27, 2011, the Administrative Hearing Commission ("AHC") entered its Decision in the case of *State Board of Embalmers and Funeral Directors v. Brian Winters,* Case number 10-1911 EM (the "AHC Decision"). In the AHC Decision, the AHC found cause for the Board to impose discipline on Winters' funeral director and embalmer licenses pursuant to Section

333.330.2(3) and (12), RSMo[1], due to Winters failure to disclose on his applications for licensure that he had his license revoked in Illinois and that he had pled guilty to federal criminal charges of mail fraud.

The Board has received the record of the proceedings before the AHC and each member of the Board has reviewed the record of the proceedings before the AHC and the AHC Decision. The record of the AHC is incorporated by reference into this order in its entirety. The Board takes judicial notice of its own file in this matter.

Pursuant to the provisions of Sections 621.110 and 333.330.3, RSMo, Winters received proper notice of the time, date, location and purpose of the hearing before the Board and was provided full opportunity to be heard on this matter.

After review of the record before the AHC and the AHC decision and hearing evidence and argument of counsel, the Board issues the following findings of fact, conclusions of law and disciplinary order:

FINDINGS OF FACT

1. The Board is an agency of the state of Missouri created and established pursuant to Section 333.151, RSMo, the purpose of executing and enforcing the provisions of Chapter 333, RSMo, and the portions of Chapter 436, RSMo, related to preneed funeral contracts.

2. Winters is an individual who has registered his address with the Board as 4001 Market Avenue, East St. Louis, IL 62207.

[1] All statutory references are to the Revised Statutes of Missouri (2000), as supplemented, unless otherwise indicated.

3. The Board adopts and incorporates by reference to the Findings of Fact as set forth in the AHC Decision.

4. The Board properly served Winters with notice of the disciplinary hearing such that he was aware that he had the opportunity to be heard and to present any testimony or evidence for the Board to consider in determining the level of discipline to impose on his funeral director and embalmer licenses.

CONCLUSIONS OF LAW

5. Jurisdiction and venue are proper.

6. The Board adopts and incorporates by reference the Conclusions of Law as set forth in the AHC Decision.

7. The Board has determined that imposition of discipline on the funeral director and embalmer licenses held by Winters is necessary to ensure protection of the public.

DISCIPLINARY ORDER

Having fully considered all evidence before the Board and carefully reviewed the evidence and argument presented at hearing, the Board makes the following disciplinary order:

8. The funeral director license of Brian Winters is hereby **SUSPENDED** for a period of **ONE YEAR** beginning the effective date of this Order and, thereafter, shall immediately be placed on **PROBATION** for a period of **FIVE YEARS** beginning on the day after the last day of the license suspension (the "Disciplinary Period"), subject to the terms and conditions contained in this Order.

9. The embalmer license of Brian Winters is hereby placed on **PROBATION** for a period of **FIVE YEARS**, beginning the effective date of this Order, subject to the terms and conditions contained in this Order.

10. While each license is on probation, Winters shall comply with the following terms and conditions:

a. Licensee shall keep the Board informed of Licensee's current work and home telephone numbers and addresses. Licensee shall notify the Board in writing within ten (10) business days of any change in this information. If Licensee utilizes e-mail, Licensee shall provide the Board with his current and active e-mail address;

b. Licensee shall comply with all applicable provisions of Chapters 194, 333 and 436, RSMo, all Board regulations and all federal, state and local laws and regulations related to business operations in the funeral and death care industry including all insurance and security laws applicable to any insurance or annuity used to fund preneed funeral contracts;

c. Licensee shall engage in no conduct that would give the Board cause to seek authority to discipline from the Administrative Hearing Commission;

d. Licensee shall meet in person with the Board or any Board representative at any such time and place as required by the Board or its representative upon reasonable notice. Any such meetings shall be at the Board's discretion;

e. Licensee shall submit written compliance reports to the Board no later than January 1 and July 1 of each year, but no compliance report shall be filed more

than 14 days before it is due. Each of these compliance reports shall state truthfully whether there has been full compliance with the terms and conditions of this Order for the previous six month period and shall fully explain any non-compliance. These compliance reports shall contain all other information required by this Order. Compliance reports may be submitted on a form provided by the Board, but failure to receive such a form from the Board shall not excuse the timely filing of any compliance report;

f. Upon the request by the Board or its representative, Licensee shall immediately submit any and all records requested to show compliance with these terms and conditions;

g. Licensee shall renew timely all licenses and/or registrations, shall pay timely all fees required for licensure/registration and shall meet all other requirements necessary to maintain all licenses and registrations issued by the Board current and active;

h. Licensee shall accept and cooperate with unannounced visits from the Board, or its representatives, to monitor compliance with the terms and conditions of probation;

i. Licensee shall not serve as the supervisor of any funeral director apprentice or embalmer practicum student or embalmer apprentice without the express written consent of the Board. If Licensee seeks to supervise an apprentice, Licensee shall submit a written request to the Board that includes the name and address of the potential apprentice and a description of Licensee's ability to

properly supervise an apprentice. No such apprenticeship shall commence until the Board has given its consent for Licensee to supervise the apprentice;

11. Upon the expiration of the Disciplinary Period and successful completion of the probation for each license, Licensee's license(s) shall be fully restored if all other requirements of the law have been satisfied; provided however, that in the event the Board determines that Licensee has violated any term or condition of this Order, the Board may, in its discretion, after an evidentiary hearing, vacate and set aside the discipline imposed herein and may suspend, revoke, or otherwise lawfully discipline Licensee's licenses.

12. The Board shall enter no order imposing further discipline on Licensee's license(s) without notice and an opportunity for hearing before the Board in accordance with the provisions of Chapter 536, RSMo.

13. If the Board determines that Licensee has violated a term or condition of this Order, and that violation would also be actionable in a proceeding before the Administrative Hearing Commission or in a circuit court, the Board may elect to pursue any lawful remedies or procedures afforded to it and is not bound by this Order in its determination of appropriate legal actions concerning such violation(s).

14. If any alleged violation of this Order occurs during the Disciplinary Period, the Board may choose to conduct a hearing on the alleged violation either during the Disciplinary Period, or as soon thereafter as a hearing can be held, to determine whether a violation of the terms and conditions of probation occurred and, if so, may impose further discipline on Licensee's license(s). The Board has continuing jurisdiction to hold a hearing determine if a violation of the terms and conditions of probation occurred.

15. This Order of the Board shall be maintained as an open and public record of the Board as provided in Chapters 333, 610 and 324, RSMo.

IT IS SO ORDERED.
