

Announcements

Engineering and Land Surveying Examinations:

- Results for the October 23 and 24, 2009 FE, PE, FLS, and PLS examinations have been released.
- **April 16 and 17, 2010 Examinations:**
Filing deadline for first time applicants – December 1, 2009
Filing deadline for re-examination/re-scheduling applications – February 15, 2010
NCEES examination registration deadline: February 26, 2010.

Applicants approved by the Board for the April 2010 examinations are currently being notified of approval. DO NOT register with NCEES until you receive notification to do so.

Applicants approved for the April 2010 examinations will receive their admission authorization notice from NCEES approximately 2-3 weeks prior to the examination date. If you do not receive your admission authorization notice, contact NCEES at 877-536-7729.

- **October 29 and 30, 2010 Examinations:**
Filing deadline for first time applicants – June 1, 2010
Filing deadline for re-examination/re-scheduling applications – August 15, 2010
Effective with the October 2010 examination administration, NCEES will not recognize proctored candidates with the exception of members of the U. S. military.

Renewals

If your license was due for renewal on December 31, 2009, and you have not returned your renewal form with the required fee, please be advised that you no longer possess a valid license. A license not renewed by March 31, 2010 will lapse on April 1, 2010 and if not re-instated by December 31, 2010 the license will expire.

Rule Changes

Revisions to the following listed Board Rules became effective January 30, 2010.

20 CSR 2030-2.040 – Standard of Care
20 CSR 2030-21.010 -Design of Fire Suppression Systems
