Dear Dominika Frackowiak:

The Missouri Department of Revenue has notified this agency that despite multiple notices of imminent suspension you are still not in compliance with section 324.010 RSMo., which requires the suspension of the professional license of individuals who have failed to file state tax returns and/or pay their state tax liabilities.

By law, your license was suspended on December 6, 2008.

The continued practice of your profession with a suspended license subjects you to criminal and administrative penalties. You must not practice your profession until **after** you receive a letter of compliance from the Department of Revenue and **complete our reinstatement requirements**. You are still subject to the statutes and rules regulating your profession. You must return your license to this office within ten days of the date this letter was mailed. You must inform us of any change of address, pay your renewal fees, and maintain continuing education requirements, or your license is subject to lapse or further discipline, up to and including revocation.

The first step to reinstate your license is to obtain a letter of tax compliance from the Department of Revenue. You can reach the Department of Revenue at (573)751-7200.

Sincerely yours,

Darla Fox
Executive Director
