

DISASTER RELIEF FOR SOUTHEAST LOUISIANA BARBERS & COSMETOLOGISTS

A large segment of our fellow barbers and cosmetologists have lost their shops, tools, homes and much more. Their loss is too much for us to comprehend. These barbers and cosmetologists need every act of kindness we may have at our disposal. How can I help?

- 1) By offering jobs to those displaced barbers and cosmetologist providing them a way to feed their families.
- 2) By donating and/or sharing tools. More preferable, new tools enabling these barbers and cosmetologists to earn a living. The idea of losing everything reaches much further than tools, but that is the least we can do for these people.
- 3) Please stand ready to help in assisting these barbers and cosmetologists to find jobs within the ranks of their professions.

Again, clippers, combs, dryers, anything you wish to contribute to this worthy cause would be appreciated. Please contact the Louisiana Board of Barber Examiners and the Louisiana Board of Cosmetology at 225-925-1701 for further information.
