

**SETTLEMENT AGREEMENT BETWEEN MISSOURI DENTAL BOARD
AND GREG A. BOIVIN, D.D.S.**

Come now Greg A. Boivin, D.D.S. ("Licensee") and the Missouri Dental Board ("Board") and enter into this settlement agreement ("Settlement Agreement") for the purpose of resolving the question of whether Licensee's license as a dentist will be subject to discipline.

Pursuant to the terms of § 536.060, RSMo 2000¹, the parties hereto waive the right to a hearing by the Administrative Hearing Commission of the State of Missouri ("AHC") regarding cause to discipline the Licensee's license, and, additionally, the right to a disciplinary hearing before the Board under § 621.110, RSMo 2000.

Licensee acknowledges that he understands the various rights and privileges afforded him by law, including the right to a hearing of the charges against him; the right to appear and be represented by legal counsel; the right to have all charges against him proven upon the record by competent and substantial evidence; the right to cross-examine any witnesses appearing at the hearing against him; the right to present evidence on his own behalf at the hearing; the right to a decision upon the record by a fair and impartial administrative hearing commissioner concerning the charges pending against him and, subsequently, the right to a disciplinary hearing before the Board at which time he may present evidence in mitigation of discipline; and the right to recover attorney's fees incurred in defending this action against his license. Being aware of these rights provided him by operation of law, Licensee knowingly and voluntarily waives each and every one of these rights and freely enters into the Settlement Agreement and agrees to abide by the terms of this document, as they pertain to him.

Licensee acknowledges that he has received a copy of the investigative report and other documents relied upon by the Board in determining there was cause to discipline his license, along with citations to law and/or regulations the Board believes were violated.

For the purpose of settling this dispute, Licensee stipulates that the factual allegations contained in the Settlement Agreement are true and stipulates with the Board that Licensee's license, numbered 2006021706 is subject to disciplinary action by the Board in accordance with the provisions of Chapter 621, Cum. Supp. 2009 and Chapter 332, RSMo.

¹ Unless otherwise noted, all references to RSMo are to RSMo 2000.
