

**SETTLEMENT AGREEMENT BETWEEN MISSOURI DENTAL BOARD  
AND JESS M. HAMILTON, D.D.S.**

Come now Jess M. Hamilton, D.D.S. ("Licensee") and the Missouri Dental Board ("Board") and enter into this settlement agreement for the purpose of resolving the question of whether Licensee's license as a dentist will be subject to discipline.

Pursuant to the terms of § 536.060, RSMo 2000, the parties hereto waive the right to a hearing by the Administrative Hearing Commission of the State of Missouri ("AHC") regarding cause to discipline the Licensee's license, and, additionally, the right to a disciplinary hearing before the Board under § 621.110, RSMo 2000.

Licensee acknowledges that he understands the various rights and privileges afforded him by law, including the right to a hearing of the charges against him; the right to appear and be represented by legal counsel; the right to have all charges against him proven upon the record by competent and substantial evidence; the right to cross-examine any witnesses appearing at the hearing against him; the right to present evidence on his own behalf at the hearing; the right to a decision upon the record by a fair and impartial administrative hearing commissioner concerning the charges pending against him and, subsequently, the right to a disciplinary hearing before the Board at which time he may present evidence in mitigation of discipline; and the right to recover attorney's fees incurred in defending this action against his license. Being aware of these rights provided him by operation of law, Licensee knowingly and voluntarily waives each and every one of these rights and freely enters into this settlement agreement and agrees to abide by the terms of this document, as they pertain to him.

Licensee acknowledges that he has received a copy of the investigative report and other documents relied upon by the Board in determining there was cause to discipline his license, along with citations to law and/or regulations the Board believes was violated.

For the purpose of settling this dispute, Licensee stipulates that the factual allegations contained in this settlement agreement are true and stipulates with the Board that Licensee's license, numbered 011946 is subject to disciplinary action by the Board in accordance with the provisions of Chapter 621, Cum. Supp. 2009 and Chapter 332, RSMo.

Joint Stipulation of Fact and Conclusions of Law

1. The Missouri Dental Board ("Board") is an agency of the State of Missouri created and established pursuant to § 332.021, RSMo 2000, for the purpose of executing and enforcing the provisions of Chapter 332.
2. Licensee Jess M. Hamilton, D.D.S. ("Licensee") is licensed by the Board as a dentist, License No. 011946. Licensee's Missouri license was at all times relevant herein, and is now, current and active.
3. On or about August 20, 2010, the Board initiated a complaint regarding Licensee as a result of the Texas State Board of Dental Examiners disciplining his Texas dental license.
4. On or about August 20, 2010, the Board received a copy of the Agreed Settlement Order disciplining the Texas Dental license of Licensee. On or about April 16, 2010, the Texas State Board of Dental Examiners suspended Licensee's dental license but immediately fully probated the license, ordered Licensee to pay an administrative fine in the amount of \$4,000.00, ordered Licensee to complete twelve hours of continuing education courses related to anesthesiology and risk management and record keeping, ordered Licensee to take the jurisprudence examination and have an aesthesia evaluation of his practice conducted at his cost.
5. The Texas State Board of Dental Examiners disciplined Licensee's Texas dental license because on or about September 4, 2008, Licensee "failed to meet the minimum standard of care in the supervision of the administration of anesthesia to patient R.P. when the Certified Registered Nurse Anesthetist administered an excessive dose of medication, resulting in an overdose contributing the death of patient R.P." The Texas State Board of Dental Examiners also determined that on or about September 4, 2008, Licensee "failed to make, maintain and keep adequate dental records within the minimum standard of care for patient R.P. by failing to adequately supervise the documentation of the anesthesia record of the patient." The Texas State Board of Dental Examiners determined Licensee's actions violated Texas code sections 263.002(a)(4), (9), (10) and (12) and Texas administrative code sections 108.32 and 108.7.
6. On or about October 12, 2010, Licensee renewed his Missouri dental license. Licensee disclosed the discipline of his Texas license, as described in paragraphs 4 and 5 above, on his Missouri renewal application.
7. Licensee's actions as described above in paragraphs 3 through 6 constitute disciplinary action against Licensee by another state for actions which would be subject to discipline in Missouri in that Licensee's

actions constitute incompetency or misconduct in the performance of, or relating to one's ability to perform the functions or duties of any profession licensed or regulated by this chapter as well as violation of rule 20 CSR 2110-4.040 for which discipline of Licensee's Missouri license is appropriate.

8. Cause exists for the Board to take disciplinary action against Licensee's license under § 332.321.2(8), RSMo, which states in pertinent part:

2. The board may cause a complaint to be filed with the *administrative hearing commission* as provided by chapter 621, RSMo, against any holder of any permit or license required by this chapter or any person who has failed to renew or has surrendered his or her permit or license for any one or any combination of the following causes:

...

(8) Disciplinary action against the holder of a license or other right to practice any profession regulated by this chapter imposed by another state, province, territory, federal agency or country upon grounds for which discipline is authorized in this state[.]

Based upon the foregoing, the parties mutually agree and stipulate that the following shall constitute the disciplinary order entered by the Board in this matter under the authority of § 621.045.3, RSMo 2000:

3. The terms of this settlement agreement are contractual, legally enforceable, and binding, not merely recital. Except as otherwise provided herein, neither this settlement agreement nor any of its provisions may be changed, waived, discharged, or terminated, except by an instrument in writing signed by the party against whom the enforcement of the change, waiver, discharge, or termination is sought.
4. Licensee, together with his heirs and assigns, and his attorneys, do hereby waive, release, acquit and forever discharge the Board, its respective members and any of its employees, agents, or attorneys, including any former Board members, employees, agents, and attorneys, of, or from, any liability, claim, actions, causes of action, fees, costs and expenses, and compensation, including but not limited to, any claims for attorney's fees and expenses, including any claims pursuant to § 536.087, RSMo, or any claim arising under 42

U.S.C. § 1983, which may be based upon, arise out of, or relate to any of the matters raised in this case, its settlement, or from the negotiation or execution of this settlement agreement. The parties acknowledge that this paragraph is severable from the remaining portions of this settlement agreement in that it survives in perpetuity even in the event that any court of law deems this settlement agreement or any portion thereof to be void or unenforceable.

5. If no contested case has been filed against Licensee, Licensee has the right, either at the time the settlement agreement is signed by all parties or within fifteen days thereafter, to submit the agreement to the Administrative Hearing Commission for determination that the facts agreed to by the parties to the settlement agreement constitute grounds for denying or disciplining the license of the licensee. If Licensee desires the Administrative Hearing Commission to review this Agreement, Licensee may submit this request to: Administrative Hearing Commission, Truman State Office Building, Room 640, 301 W. High Street, P.O. Box 1557, Jefferson City, Missouri 65101.

6. If Licensee has requested review, Licensee and Board jointly request that the Administrative Hearing Commission determine whether the facts set forth herein are grounds for disciplining Licensee's license and issue findings of act and conclusions of law stating that the facts agreed to by the parties are grounds for disciplining Licensee's license. Effective the date the Administrative Hearing Commission determines that the agreement sets forth cause for disciplining Licensee's license, the agreed upon discipline set forth herein shall go into effect.
