DENTAL BOARD AND ZAHRA A. HUQ, D.M.D.**

Come now Zahra A. Huq, D.M.D. ("Licensee") and the Missouri Dental Board ("Board") and enter into this Settlement Agreement for the purpose of resolving the question of whether Licensee's license as a dentist will be subject to discipline.

Pursuant to the terms of § 536.060, RSMo 2000, the parties hereto waive the right to a hearing by the Administrative Hearing Commission of the State of Missouri ("AHC") regarding cause to discipline the Licensee's license, and, additionally, the right to a disciplinary hearing before the Board under §621.110, RSMo 2000.

Licensee acknowledges that she understands the various rights and privileges afforded her by law, including the right to a hearing of the charges against her; the right to appear and be represented by legal counsel; the right to have all charges against her proven upon the record by competent and substantial evidence; the right to cross-examine any witnesses appearing at the hearing against her; the right to present evidence on her own behalf at the hearing; the right to a decision upon the record by a fair and impartial administrative hearing commissioner concerning the charges pending against her and, subsequently, the right to a disciplinary hearing before the Board at which time she may present evidence in mitigation of discipline; and the right to recover attorney's fees incurred in defending this action against her license. Being aware of these rights provided her by operation of law, Licensee knowingly and voluntarily waives each and every one of these rights and freely enters into this Settlement Agreement and agrees to abide by the terms of this document, as they pertain to her.

Licensee acknowledges that she has received a copy of the investigative report and other documents relied upon by the Board in determining there was cause to discipline her license, along with citations to law and/or regulations the Board believes was violated.

The Board acknowledges that this Settlement Agreement applies to all complaints in the possession of the Board as to Licensee at the time of the execution of this Settlement Agreement. The Board agrees that no additional discipline will be issued against Licensee for complaints in the possession of the Board at the time of the Execution of this Settlement Agreement or arising prior to the Execution of this Settlement Agreement.

For the purpose of settling this dispute, Licensee stipulates that the factual allegations contained in this Settlement Agreement are true and stipulates with the Board that Licensee's license, numbered 015460, is subject to disciplinary action by the Board in accordance with the provisions of Chapter 621 and Chapter 332, RSMo.
