Clinton, MO 64735

Dear Ms. Langdon:

The Missouri Department of Revenue has notified this agency that despite notices of imminent suspension you are still not in compliance with section 324.010 RSMo., which requires the suspension of the professional license of individuals who have failed to file state tax returns and/or pay their state tax liabilities.

By law, your license was suspended on April 10, 2011.

The continued practice of your profession with a suspended license subjects you to criminal and administrative penalties. You must not practice your profession until **after** you receive a letter of compliance from the Department of Revenue **and complete our reinstatement requirements**. You must return your license to this office within ten days of the date this letter was mailed.

The first step to reinstate your license is to obtain a letter of tax compliance from the Department of Revenue. You can reach the Department of Revenue at (573)751-7200.

It is important to understand that the Missouri Dental Board has not been involved in this suspension process other than to send you notice that the Department of Revenue was going to suspend your license if you did not get into compliance with them. This agency cannot intervene with the Department of Revenue on your behalf. You must resolve your tax issues directly with the Department of Revenue.

Sincerely yours,

Executive Director
