**AMENDED SETTLEMENT AGREEMENT BETWEEN MISSOURI DENTAL BOARD  
AND HAROLD R. SCHREIBER, D.M.D.** MISSOURI DENTAL BOARD

Come now Harold R. Schreiber, D.M.D. ("Licensee") and the Missouri Dental Board ("Board") and enter into this settlement agreement for the purpose of resolving the question of whether Licensee's license as a dentist will be subject to discipline.

Pursuant to the terms of § 536.060, RSMo 2000, the parties hereto waive the right to a hearing by the Administrative Hearing Commission of the State of Missouri ("AHC") regarding cause to discipline the Licensee's license, and, additionally, the right to a disciplinary hearing before the Board under § 621.110, RSMo 2000.

Licensee acknowledges that he understands the various rights and privileges afforded him by law, including the right to a hearing of the charges against him; the right to appear and be represented by legal counsel; the right to have all charges against him proven upon the record by competent and substantial evidence; the right to cross-examine any witnesses appearing at the hearing against him; the right to present evidence on his own behalf at the hearing; the right to a decision upon the record by a fair and impartial administrative hearing commissioner concerning the charges pending against him and, subsequently, the right to a disciplinary hearing before the Board at which time he may present evidence in mitigation of discipline; and the right to recover attorney's fees incurred in defending this action against his license. Being aware of these rights provided him by operation of law, Licensee knowingly and voluntarily waives each and every one of these rights and freely enters into this settlement agreement and agrees to abide by the terms of this document, as they pertain to him.

Licensee acknowledges that he has received a copy of the investigative report and other documents relied upon by the Board in determining there was cause to discipline his license, along with citations to law and/or regulations the Board believes was violated.

For the purpose of settling this dispute, Licensee stipulates that the factual allegations contained in this settlement agreement are true and stipulates with the Board that Licensee's license, numbered 008360 is subject to disciplinary action by the Board in accordance with the provisions of Chapter 621, Cum. Supp. 2008 and Chapter 332, RSMo.

Joint Stipulation of Fact and Conclusions of Law

1. The Missouri Dental Board ("Board") is an agency of the State of Missouri created and established pursuant to § 332.021, RSMo 2000, for the purpose of executing and enforcing the provisions of Chapter 332.

2. Licensee Harold R. Schreiber, D.M.D. is licensed by the Board as a dentist, License No. 008360. Licensee's Missouri license was at all times relevant herein, and is now, current and active.

3. Pursuant to § 332.261, RSMo 2000 and 20 CSR 2110-2.240, every Board licensee is required to obtain fifty (50) hours of continuing educational programs during the two-year period immediately preceding the renewal period to renew his or her license.

4. On Licensee's 2008-2010 renewal application Licensee swore and affirmed under penalty of law that he obtained fifty (50) hours of Board-approved continuing education during the period of December 1, 2006, through November 30, 2008.

5. The Board renewed Licensee's license.

6. On or about January 9, 2009, the Board audited Licensee's continuing education hours pursuant to 20 CSR 2110-2.240(2)(A), which states in pertinent part:

The board may conduct an audit of licensees to verify compliance with the continuing education requirement. Licensees shall assist the board in its audit by providing timely and complete responses to the board's inquiries.

7. Licensee failed to submit adequate documentation for fifty (50) hours of continuing education for the December 1, 2006 through November 30, 2008 period.

8. Licensee has a duty to maintain full and complete records of all approved continuing education credits earned pursuant to and as defined by 20 CSR 2110-2.240(2)(A), which states in pertinent part:

Each licensee shall retain records documenting his/her completion of the required hours of continuing education for a minimum of six (6) years after the reporting period in which the continuing education was completed. The records shall document the licensee's attendance at the continuing education course including, but not limited to, retaining the titles of the courses taken, dates, locations, receipts, course sponsors, agendas and number of hours earned.

9. Licensee's failure to obtain the required fifty (50) continuing education credits is a violation of section 332.181 and of Regulation 20 CSR 2110-2.240(2).

10. Pursuant to Regulation 20 CSR 2110-2.240(5), "a violation of any provision of this rule shall be deemed by the board to constitute misconduct, fraud, misrepresentation, dishonesty, unethical conduct or unprofessional, or any combination of these, in the performance of the functions, duties, or both, of a dentist or dental hygienist, depending on the license's conduct."

11. Cause exists for the Board to take disciplinary action against Licensee's license under § 332.321.2(3), (5), and (6), RSMo, which states in pertinent part:

2. The board may cause a complaint to be filed with the administrative hearing commission as provided by chapter 621, RSMo, against any holder of any permit or license required by this chapter or any person who has failed to renew or has surrendered his or her permit or license for any one or any combination of the following causes:
