Parties and Background

The Board is an agency of the State of Missouri created and established pursuant to Section 333.151, RSMo, and vested with the authority to execute and enforcing the provisions of Chapter 333 and portions of Chapter 436, RSMo.

James Wesley Schooler is an individual who has registered his address with the Board as 26859 Q Ave., Fairfax, Missouri 64446.

Schooler holds funeral director license number 000421 which is current and active and was so at all times relevant to this Settlement Agreement.

Before July 8, 2014, Schooler had never been included on the Board's registry as a preneed agent.

Schooler submitted his "Application for Preneed Agent/Funeral Director" to the Board that he signed before a notary public on April 29, 2014 (the "Application").

In accord with Section 333.325.4, RSMo, on July 8, 2014 the Board entered Schooler on its registry as a preneed agent, but placed that registration on probation for a period of 1 year.

Basis for Probation - Unregistered practice as a preneed agent

After August 28, 2009, Section 333.325, RSMo, requires that all persons acting as a preneed agent seek registration from the Board to lawfully act as a preneed agent.

Licensed funeral directors may be included on the Board's registry and thus, lawfully act as a preneed agent, with no further qualifications other than requesting registration and reporting to the Board the name and address of each preneed seller for whom the funeral director is authorized to act as a preneed agent.

Until Schooler filed the Application, Schooler had not requested to be added to the Board's registry nor had he reported to the Board the name and address of each preneed seller for whom he was authorized to act as a preneed agent.

Between August 29, 2009 and April 29, 2014, Schooler acted as a preneed agent on behalf of Schooler Funeral Home, Inc., a properly licensed preneed seller holding seller license number 2009037683.

Cause for Discipline

The Board has cause to discipline Schooler's funeral director license pursuant to Section 333.330.2 (6), and (14) RSMo.
