

NEW ONLINE SERVICES NOW AVAILABLE

Employers/Public

If you or your organization needs to increase your efficiency in verifying nurse licenses and/or checking a nurse's discipline status for employment decisions, then look no further than the NCSBN's secure, online verification system, Nursys® (www.nursys.com). The nursys.com Web site contains data obtained directly from the licensure systems of the boards of nursing through frequent, secured updates.

Employers and the general public can now verify licenses and receive a report within minutes, **free of charge**. This report will contain the name, jurisdiction, license type, license number, license status, expiration date and any discipline against the license of the nurse being verified.

Nurses

When a nurse applies for endorsement into a state, verification of existing or previously held licenses may be required. A nurse can use Nursys.com to request verification of licensure from a Nursys licensure participating board. A list of licensure participating nursing boards can be found at Nursys.com.

Verifications can be processed by completing the online Nursys verification process. The fee for this service is \$30.00 per license type for each state board of nursing where the nurse is applying. Nursys license verification is sent to the endorsing board immediately. Please visit www.nursys.com for more details.
