If you are eligible, a MPJE registration application may be submitted to NABP online at <http://www.nabp.net/programs/>.

The Board will notify NABP once you are eligible to test. *Note: Approval to test does not mean that your pharmacist license application has been approved. A final decision on your application will not be made until your test scores have been received. The Board reserves the right to deny or otherwise restrict licensure for candidates approved to test. Application and testing fees will not be refunded if your license is subsequently denied or otherwise restricted by the Board.*
6. After you have been declared eligible to test by the Board, you will receive an Authorization to Test (ATT) from NABP or NABP's approved testing vendor- Pearson VUE. The Board does not send or handle ATT forms. Questions regarding your ATT should be forwarded to NABP.
7. Instructions on scheduling a testing date, time and location will be provided when you receive your ATT. You are responsible for scheduling testing dates/times with Pearson VUE as provided in the instructions given. Exams can be taken at any Pearson VUE testing site (for a list of locations visit [www.pearsonvue.com](http://www.pearsonvue.com)).
8. A minimum score of seventy-five (75) is required to pass the MPJE. The MPJE may be retaken in the event the candidate fails to achieve a passing score.
9. Your test score will be electronically sent to the Board after you take the exam. **Allow two (2) weeks from your exam date for score results to be processed.** You will be notified in writing of your test results. Score results may also be checked online at <http://www.nabp.net/programs/examination/naplex/naplex-and-mpje-score-results/>. **Score results will not be given over the phone, by e-mail or by fax under any circumstances.**

### FINGERPRINT INSTRUCTIONS

To complete your application, you must be fingerprinted and undergo a criminal history background check. Fingerprinting must be conducted by 3M/Cogent, the Board's approved fingerprinting vendor. To be fingerprinted, complete the following steps:

<b>▶ STEP 1:</b>	Register to be fingerprinted on the Missouri Automated Criminal History Site (MACHS) website at <a href="http://www.machs.mo.gov">www.machs.mo.gov</a> or call 877-862-2425. <b>To register, you must provide the fingerprint vendor "Registration Number: 0003."</b> Do not contact the Board to schedule a fingerprint appointment.
<b>▶ STEP 2:</b>	Once you are registered, you will be given a "TCN" number from MACHS online or over the phone. Write down or print your TCN number and take it with you when you are fingerprinted.
<b>▶ STEP 3:</b>	Find a fingerprint location by clicking on "Fingerprint Sites" on the top of the MACHS webpage located at <a href="http://www.machs.mo.gov">www.machs.mo.gov</a> or by calling 877-862-2425. Once a preferred location is designated, you will see the location address and hours of operation. The Board does not maintain location site addresses or hours of operation. Applicants must visit the MACHS website or call the fingerprinting vendor to find a location site.
<b>▶ STEP 4:</b>	Take your TCN number and a valid government issued ID with you to the fingerprint location. <b>You WILL experience a long wait at the fingerprint location if you do not register online or forget to take your TCN number to the fingerprint location.</b>
<b>▶ STEP 5:</b>	Pay the fingerprint fee and get your prints taken. You must pay the fingerprint fee online or in person at the site. For verification purposes, your picture will be taken at the fingerprint site. <b>This picture cannot be used as the picture required for your application.</b>
<b>▶ STEP 6:</b>	After you are fingerprinted, you will be given a fingerprint receipt that shows you have been fingerprinted. <b>The receipt must be submitted to the Board with your completed application.</b> Receipts must be dated no more than six (6) months prior to submission of the application. If the receipt date is more than six (6) months from the date your application was submitted, you will be required to be re-fingerprinted and pay an additional fee.

- ▶ **Out-of-State Applicants:** If you are outside of the state and cannot drive to a Missouri fingerprint location, please register with MACHS as indicated above and make payment online. You will then need to go to a law enforcement agency and complete two inked fingerprint cards captured on a standard FBI-258 applicant fingerprint card. **Write Registration Number: 0003 on your fingerprint card. Write your TCN number on the back of your fingerprint cards.** Mail your cards to: 3M Cogent, Inc., Missouri CardScan, 639 N. Rosemead Blvd., Pasadena, CA 91107. ## AGENCY PRIVACY REQUIREMENTS FOR NONCRIMINAL JUSTICE APPLICANTS

Authorized governmental and non-governmental agencies/officials that conduct a national fingerprint-based criminal history record check on an applicant for a noncriminal justice purpose (such as a job or license, immigration or naturalization matter, security clearance, or adoption) are obligated to ensure the applicant is provided certain notice and other information and that the results of the check are handled in a manner that protects the applicant's privacy.

- Officials must provide to the applicant written notice<sup>1</sup> that his/her fingerprints will be used to check the criminal history records of the FBI.
- Officials using the FBI criminal history record (if one exists) to make a determination of the applicant's suitability for the job, license, or other benefit must provide the applicant the opportunity to complete or challenge the accuracy of the information in the record.
- Officials must advise the applicant that procedures for obtaining a change, correction, or updating of an FBI criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.
- Officials should not deny the job, license, or other benefit based on information in the criminal history record until the applicant has been afforded a reasonable time to correct or complete the record or has declined to do so.
- Officials must use the criminal history record solely for the purpose requested and cannot disseminate the record outside the receiving department, related agency, or other authorized entity.<sup>2</sup>

The FBI has no objection to officials providing a copy of the applicant's FBI criminal history record to the applicant for review and possible challenge when the record was obtained based on positive fingerprint identification. If agency policy permits, this courtesy will save the applicant the time and additional FBI fee to obtain his/her record directly from the FBI by following the procedures found at 28 CFR 16.30 through 16.34. It will also allow the officials to make a more timely determination of the applicant's suitability.

Each agency should establish and document the process/procedures it utilizes for how/when it gives the applicant notice, what constitutes "a reasonable time" for the applicant to correct or complete the record, and any applicant appeal process that is afforded the applicant. Such documentation will assist State and/or FBI auditors during periodic compliance reviews on use of criminal history records for noncriminal justice purposes.

## NONCRIMINAL JUSTICE APPLICANT'S PRIVACY RIGHTS

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for a job or license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below.

- You must be provided written notification<sup>1</sup> that your fingerprints will be used to check the criminal history records of the FBI.
- If you have a criminal history record, the officials making a determination of your suitability for the job, license, or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record.
- The officials must advise you that the procedures for obtaining a change, correction, or updating of your criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the job, license, or other benefit based on information in the criminal history record.<sup>2</sup>

You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.<sup>3</sup>

If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <http://www.fbi.gov/about-us/cjis/background-checks>.

If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34.)
