

UPCOMING MEDICATION THERAPY SERVICES PROGRAMS

NOTES:

- *The following list contains programs submitted to the Board office for review that appear to meet the minimum requirements of the rules for medication therapy services certificate courses/programs. The programs listed below are not sponsored, endorsed or approved by the Missouri Board of Pharmacy. Further, the Board cannot vouch for or attest to the quality of a given program. Course/Program providers are solely responsible for course content and determining participant qualifications/eligibility.*
- *This list is not exhaustive. Other programs may exist that meet the requirements of the rule that are not listed below.*
- *A post-graduate medication therapy certificate course or program accredited or granted by one of the following bodies may also be used to qualify for a MTS certificate: the ACPE, American Society of Health-System Pharmacists, American Society of Consultant Pharmacists or the American Pharmacists Association.*
- *Questions regarding course/program registration should be directed to the contact person identified below.*
