

The Missouri Board of Pharmacy is pleased to announce the hiring of Kim Grinston as their new Executive Director effective January 5, 2009. Ms. Grinston has over 11 years of legal, legislative, and administrative experience in Missouri state government. She has previously served as an Assistant Attorney General, Senior Legal Counsel for the Missouri Department of Insurance, and as legal counsel for the Division of Professional Registration where she provided general counsel services to a wide variety of autonomous and administrative licensing Boards/Commissions. The Board feels very privileged to have identified such a qualified individual and looks forward to working with her.
