#1 20 CSR 2150-5.020 Non-pharmacy Dispensing

Kim Grinston provided a verbal report indicating the Board of Healing Arts filed a proposed amendment to 20 CSR 2150-5.020, which was published in the January 16, 2009 Missouri Register; the deadline to submit written comments is Sunday, February 15, 2009. Ms. Grinston reported she received and incorporated Board members' individual comments into a letter she drafted and emailed to Board members last night. Discussion was held regarding the proposed amendment and Ms. Grinston's drafted comment letter. Tom Glenski suggested that incorrect labeling should be added to the letter as a type of error that could occur, as well as technology advances and the use of automated dispensing machines as a concern. Discussion was also held concerning how the proposed amendment appears to lower the current statutory/regulatory standards for advance practice nurses and physician assistants.

Motion was made by Pam Marshall, seconded by Melissa Graham, to approve Kim Grinston's drafted response letter with revisions to be incorporated as discussed during this conference call. Motion passed 6:0:0:0 with roll call vote as follows:
