

OPEN FORUMS

To Explore Possible Statutory Or Regulatory Changes Needed To Update/Expand Licensing Options For Licensees Through Various Types of Incorporation

The Missouri Real Estate Commission is finding more licensees wanting to incorporate their business activity to limit personal liability at the advice of their legal or tax advisor and Commission statutes and regulations are considered by many to be too restrictive. Therefore, the Missouri Real Estate Commission will be holding informal forums at each of its regularly scheduled meetings for the balance of 2009. These informal forums are to allow individuals to share their opinions and to make suggestions as to how the laws could be modified to allow such options.

These 1:30 p.m. open forums will be held as follows:

April 8, 2009 – Jefferson City
Division of Professional Registration
3605 Missouri Boulevard

June 10, 2009 – Springfield

October 14, 2009 – Kansas City
