Beginning the Licensure Process

**Licensure Process for LBSW/LMSW**

- Mail completed Application for Licensure form with the appropriate fee
- Contact 3M/Cogent Services to have a background check completed (instructions included with application) and submit a copy of the receipt along with your application, if possible
- Have your college/university mail an official transcript directly to our office. If you are requesting to sit for the examination prior to graduation, have your school send a letter stating you’re on track to graduate. **You are responsible for ensuring your school sends a final transcript upon graduation, a license WILL NOT be issued without one.**
- The Committee will notify the applicant in writing to contact ASWB and schedule the exam once the application has been reviewed and approved. Upon passing the exam, the ASWB will send our office your official score report and the license will be issued.

**Please review the rules and statutes for all licensure and supervision requirements. You can find those, as well as all the forms needed, on our website:**
