STATE COMMITTEE FOR SOCIAL WORKERS EXAMINATION PROCEDURES

Dear Sir or Madam:

Thank you for your inquiry into the process of taking the ASWB examination for the State of Missouri. Missouri requires the successful completion of the ASWB Clinical examination for licensure as a clinical social worker, or the completion of the ASWB Basic Exam (or higher) for licensure as a baccalaureate social worker.

Individuals may register with ASWB to take the appropriate examination once they have received written notification that their Registration of Supervision has been approved.

Please read the enclosed information carefully, as the material contains detailed information pertaining strictly to the examination. **Please direct all questions regarding the examination to the ASWB at 888-579-3926 or at aswb.org.** Individuals interested in attending an examination workshop or obtaining study materials and publications, may contact the Missouri Chapter of the National Association of Social Workers (NASW) at (573) 635-6965, or you may contact them by E-mailing chapter@nasw-mo.org

If you have special needs addressed by the Americans with Disabilities Act, the Candidates Handbook contains an Application for Disability form.

Please note: the ADA form must be sent in with your Examination Registration Form to the ASWB.
