

VERIFICATION OF LICENSURE AND EXAMINATION

ARCHITECTS AND LANDSCAPE ARCHITECTS:

Verifications must be requested by mail.

Please submit the verification form from the state to which you are applying to:

Missouri Board for Architects, Professional Engineers,
Professional Land Surveyors and Professional Landscape Architects
3605 Missouri Boulevard, Suite 380
Jefferson City, Missouri 65109

Please include your name, address, license number, and/or social security number, and the name and address of the State Board of where you want the verification to be sent.

Verifications will only be mailed to the State Board requesting the verification and NOT to the licensee.

PROFESSIONAL ENGINEERS AND PROFESSIONAL LAND SURVEYORS:

Verifications must be requested by logging into your MyNCEES account or creating a MyNCEES account at the following link <http://account.ncees.org/>
Once there, click on license or exam verification from the common tasks shown on the dashboard screen.

This relates to:

- Applicants **applying** to the Missouri Board needing verification of their exams and/or licenses from another Licensing Board/Jurisdiction.
- Applicants **currently licensed** by the Missouri Board who wish to apply for licensure in one or more additional Licensing Boards/Jurisdictions.

The verification system is user friendly and facilitates the transmission and receiving of verifications between Licensing Boards/Jurisdictions.
