POLICY (add explanatory notes if applicable)

BACKGROUND

Eligibility to serve as a delegate or alternate is determined by the FCLB bylaws. (See Articles III and VI.)

With respect to the process of registering designated delegates, the FCLB Board of Directors is committed to ensuring that our member boards have sufficient time to study pending issues and participate meaningfully in the annual business meeting or any other duly called business meeting.

In furtherance of these goals, the FCLB Board has adopted the following policy:

POLICY

1. ELIGIBILITY CRITERION

Delegates and alternate delegates must be a Fellow of the Member Board, or an Honorary Fellow who has served on that board in the preceding five (5) years, or the Member Board’s Administrative Fellow from the appointing member chiropractic board, and duly registered for the annual conference.

2. REGISTRATION DEADLINE

Written notification of the member board’s duly designated delegate and alternate must be postmarked or faxed to the FCLB no later than 30 days prior to the opening session of a duly called official business meeting of the FCLB. E-mailed notifications are acceptable and must comply with all other registration requirements.

3. FORM OF NOTIFICATION

Notification must be received on the FCLB’s official Delegate and Alternate Designation Form or on the member chiropractic board’s letterhead, and must be signed by an authorized representative of the member board.

- Notifications must identify by name the delegate and a statement that the board, at an official board meeting, has approved the selection of such delegates. Appointments are effective upon postmark and until replaced by the member board, not to exceed one year. At a minimum, delegates and alternates must re-register prior to each annual business meeting of the FCLB.

- If the notification is signed by anyone other than the board chair, it must include a certifying statement
that references that the board has approved the selection of the designated delegates, and that the
notification is sent at the request of the board and board chair.

4. LATE NOTIFICATION

Registrations received by FCLB after the deadline will not be accepted unless the member board is
accepted into membership pursuant to the FCLB bylaws after the deadline.

Chiropractic boards who are not members due only to nonpayment of current dues may register a delegate
and alternate, but timely registered designees may not participate in the annual business meeting unless the
dues are paid prior to the commencement of this meeting.

5. SWITCHING DELEGATE AND ALTERNATE

In general, the designation of an alternate delegate shall be sufficient to accommodate the need for a
"backup" representative in the event the member board would not otherwise be represented.

Switching the delegate and alternate are specifically not allowed after the notification deadline has passed.
However, if the delegate does not attend the business meeting, the properly registered alternate
automatically assumes delegate status.

6. SPECIAL CIRCUMSTANCES

The FCLB recognizes that extraordinary circumstances may arise whereby a member board would be
otherwise disenfranchised from voting, for example, when neither the designated delegate nor the alternate
are able to attend the meeting.

A written request (to allow the member board to designate a replacement delegate) may be presented to the
FCLB Board of Directors. Such request must be on official board letterhead, must describe in detail why the
member board would otherwise be disenfranchised from voting, and must be signed by the ranking officer of
the board.

The decision of the FCLB Board of Directors shall be reviewed by the Credentials Committee prior to the
business meeting, and reported to the membership at the business meeting.

7. APPEAL OF VOTING STATUS

If the decision to seat or not seat a delegate is contested by any duly registered delegate, the membership
shall by majority vote determine whether to seat the new delegate. Such vote shall occur immediately after
the remaining delegates are seated.

ARTICLE III. DEFINITIONS

Section 7. Delegate.

"Delegate" means an individual designated by a Member Board to serve as its representative to the
Federation. This individual shall be a Fellow of the Member Board, or an Honorary Fellow who has
served on that board in the preceding five (5) years, or the Member Board’s Administrative Fellow.
Delegates must be properly registered in writing in accordance with policies set by the Board of
Directors.

Section 8. Alternate Delegate.
"Alternate Delegate" means an individual designated by a Member Board to serve as its representative to the Federation in the absence of the Delegate. This individual shall be a Fellow of the Member Board, or an Honorary Fellow who has served on that board in the preceding five (5) years, or the Member Board's Administrative Fellow. Alternate Delegates must be properly registered in writing in accordance with policies set by the Board of Directors.

ARTICLE VI. DELEGATE PRIVILEGES AND RESPONSIBILITIES

Section 1. Duties and Responsibilities.

At the Annual Meeting of the Delegate Assembly, the Delegates shall provide direction to the Federation by consideration of such bylaw amendments and properly submitted resolutions that are expedient or desirable to fulfill and implement the stated purposes of the Federation.

Section 2. Privilege of the Floor.

Fellows, Honorary Fellows, Administrative Fellows, committee members, Board of Director members, and Delegates have the privilege of the floor during any meeting of the Delegate Assembly. At the discretion of the presiding officer, other attendees may be granted the privilege of the floor.

Section 3. Voting

Absentee voting and voting by proxy are not allowed.
