SETTLEMENT AGREEMENT BETWEEN
MISSOURI COMMITTEE FOR PROFESSIONAL COUNSELORS
AND PATRICIA MINGUS

Patricia Mingus ("Licensee"), and the Missouri Committee for Professional Counselors ("Committee"), enter into this settlement agreement ("Agreement") for the purpose of resolving the question of whether the Licensee's license as a professional counselor will be subject to discipline.

Pursuant to the terms of § 536.060, RSMo,[1] the parties hereto waive the right to a hearing before the Administrative Hearing Commission of the State of Missouri ("AHC") regarding cause to discipline the Licensee's license, and additionally, the right to a disciplinary hearing before the Committee under § 621.110, RSMo.

Licensee acknowledges that Licensee understands the various rights and privileges afforded Licensee by law, including the right to a hearing of the charges against Licensee; the right to appear and be represented by legal counsel; the right to have all charges against Licensee proven upon the record by competent and substantial evidence; the right to cross-examine any witnesses appearing at the hearing against Licensee; the right to present evidence on Licensee's own behalf at the hearing; the right to a decision upon the record by a fair and impartial administrative hearing commissioner concerning the charges pending against Licensee and, subsequently, the right to a disciplinary hearing before the committee at which time Licensee may present evidence in mitigation of discipline; and the right to recover attorney's fees incurred in defending this action against this license. Being aware of these rights provided Licensee by operation of law, Licensee knowingly and voluntarily waives each and every one of these rights and freely enters into this settlement agreement and agrees to abide by the terms of this document, as they pertain to Licensee.

Licensee acknowledges that Licensee has received a copy of the investigative report and other documents relied upon by the Committee in determining there was cause to discipline Licensee's license, along with citations to law and/or regulations the Committee believes were violated.

For the purpose of settling this dispute, Licensee stipulates that the factual allegations contained in this settlement agreement are true and stipulates with the Committee that Licensee's license, numbered 2001031737 is subject to disciplinary action by the Committee in accordance with the provisions of Chapters 621 and 337, RSMo.

Joint Stipulation of Fact and Conclusions of Law

1. The Missouri Committee for Professional Counselors is an agency of the State of Missouri, created and existing pursuant to § 337.535, RSMo, for the purpose of carrying out the provisions of §§ 337.500 through 337.540, RSMo.

2. Patricia Mingus is a natural person licensed by the Committee as a professional counselor, license number 2001031737. Licensee's professional counselor license was at all times relevant herein, and is now, current and active.

3. Licensee's address is 3142 East Portland Street, Springfield, Missouri 65804.

4. On or about July 19, 2012, the Committee received a complaint regarding Licensee. The Committee's subsequent investigation revealed the following:

a. Licensee counseled complainant's child ("E.B.") between January 9, 2012 and May 16, 2012.

b. On May 16, 2012, during E.B.'s counseling session with Licensee, E.B., who was 13 years old at the time, revealed to Licensee that E.B. had been sexually active with a male who had been staying with her family. E.B. expressed concern that she may be pregnant. Following some discussion, E.B. decided to wait to tell her mother until she knew whether or not she was pregnant. Licensee then took E.B. and a female friend of E.B. to a local pharmacy where Licensee purchased E.B. a pregnancy test. Licensee and E.B. then went into the pharmacy's restroom. E.B. entered a stall alone and performed the pregnancy test. The test showed a negative result. Licensee advised E.B. to tell her mother what had happened and said that if she had not told her mother within one week that Licensee would do so. Licensee then took E.B. home. Licensee intended to give E.B. until the next session the following week to tell complainant about the situation or Licensee would tell complainant. This turned out to be Licensee's last counseling session with E.B.

c. On May 19, 2012, complainant told Licensee that E.B. had revealed that she had been having sex with a male and that she thought she might be pregnant. Complainant expressed to Licensee that complainant was upset that Licensee had purchased a pregnancy test for E.B.

5. On March 15, 2013, Licensee appeared before the Committee, with legal counsel, and provided information including the following:

a. Licensee confirmed the information set forth in paragraph 4 above.

b. Licensee stated that she did not have permission from the legal guardian of E.B. to purchase a pregnancy test for E.B.

c. Licensee stated that she did have permission from the legal guardian of E.B. to include friends of E.B. in therapy sessions.

d. Licensee stated that on May 19, 2012, complainant told Licensee that the male with whom E.B. had sexual relations was 18 years old. Licensee stated that this was the first information Licensee received that the male was an adult. Licensee stated that earlier, on May 16, 2012, E.B. had told Licensee that the male was 16 years old and that E.B. was 14 years old. Licensee said she did not have her file in front of her at that time to confirm E.B.'s age (which was 13 years old).

e. Licensee stated that it was her idea to go get a pregnancy test.

f. Licensee had a release to talk to E.B.'s juvenile officer but did not report any information about this situation to E.B.'s juvenile officer.

g. Licensee stated that she did not, as a mandated reporter, report E.B.'s sexual relations with an adult on May 16, 2012, because at that time she did not know the male was an adult. Licensee stated that she did not report this on May 19, 2012 because the complainant had already reported the same to local law enforcement and the hospital (where complainant had had E.B. and the male tested) had made a hotline call.

h. Licensee also clarified that E.B. told Licensee that she had sexual relations with a male who *had been* staying with her family but was no longer staying there. Licensee clarified that she did not send E.B. back to a home with an abuser.

6. Licensee's actions and failure to act in not reporting sexual abuse as a mandated reporter or to her client's legal guardian and her actions or inactions regarding her minor client as described above in paragraphs 4 through 5 constitute misconduct, misrepresentation or dishonesty in the performance of the functions or duties of a professional and constitute a violation of professional trust or confidence.

7. Cause exists for the Committee to take disciplinary action against Licensee's license under § 337.525.2(5) and (13), RSMo, which states in pertinent part:

2. The committee may cause a complaint to be filed with the administrative hearing commission as provided by chapter 621 against any holder of any license required by sections 337.500 to 337.540 or any person who has failed to renew or has surrendered his license for any one or any combination of the following causes:

. . .

(5) Incompetency, misconduct, fraud, misrepresentation or dishonesty in the performance of the functions or duties of a professional counselor;

. . .

(13) Violation of any professional trust or confidence[.]

The course shall not apply to the continuing education requirements for licensure renewal, must be an on-campus class, and must not be delivered via the internet or similar distance education method. Costs incurred for such course shall be Licensee's responsibility. It is Licensee's responsibility to

ensure that an official transcript shall be sent by the school to the Committee documenting completion of the course.

e. During the disciplinary period, Licensee shall timely renew Licensee's license(s) and timely pay all fees required for licensing and comply with all other Committee requirements necessary to maintain Licensee's licenses in a current and active state.

f. If at any time during the disciplinary period, Licensee removes Licensee from the state of Missouri, ceases to be currently licensed under provisions of §§ 337.500 through 337.540, RSMo, or fails to advise the Committee of Licensee's current place of business and residence, the time of her absence, unlicensed status, or unknown whereabouts shall not be deemed or taken as any part of the time of discipline so imposed in accordance with § 337.525.4, RSMo.

g. If Licensee fails to comply with the terms of this Settlement Agreement, in any respect, the Committee may impose such additional or other discipline that it deems appropriate, (including imposition of a revocation).

h. This Settlement Agreement does not bind the Committee or restrict the remedies available to it concerning any other violation of §§ 337.500 through 337.540, RSMo, by Licensee not specifically mentioned in this document.

11. The parties to this Agreement understand that the Committee will maintain this Agreement as an open record of the Committee as provided in Chapters 337, 610 and 324, RSMo.

12. The terms of this settlement agreement are contractual, legally enforceable, and binding, not merely recital. Except as otherwise provided herein, neither this settlement agreement nor any of its provisions may be changed, waived, discharged, or terminated, except by an instrument in writing signed by the party against whom the enforcement of the change, waiver, discharge, or termination is sought.

13. Licensee, together with her heirs and assignees, and his attorneys, do hereby waive, release, acquit and forever discharge the Committee, its respective members and any of its employees, agents and attorneys, including any former Committee members, employees, agents and attorneys of, and from, any liability, claim, actions, causes of action, fees, costs and expenses, and compensation, including but not limited to, any claims for attorney's fees and expenses, including any claims pursuant to § 536.087, RSMo, or any claim arising under 42 U.S.C. § 1983, which may be based upon, arising out of, or relate to any of the matters raised in this case, its settlement, or from the negotiation or execution of this settlement agreement. The parties acknowledge that this paragraph is severable from the remaining portions of this settlement agreement in that it survives in perpetuity even in the event that any court of law deems this settlement agreement or any portion thereof to be void or unenforceable.

14. If no contested case has been filed against the Licensee, Licensee has the right, either at the time the settlement agreement is signed by all parties or within fifteen days thereafter, to submit the agreement to the Administrative Hearing Commission for determination that the facts agreed to by the parties to the settlement agreement constitute grounds for denying or disciplining the license of the Licensee. **If Licensee desires the Administrative Hearing Commission to review this Agreement, Licensee may submit this request to: Administrative Hearing Commission, Truman State Office Building, Room 640, 301 W. High Street, P.O. Box 1557, Jefferson City, Missouri 65101.**

15. If licensee has requested review, Licensee and the Committee jointly request that the Administrative Hearing Commission determine whether the facts set forth herein are grounds for disciplining Licensee's license and issue findings of fact and conclusions of law stating that the facts agreed to by the parties are grounds for disciplining Licensee's license. Effective the date of the Administrative Hearing Commission determines that the agreement sets forth cause for disciplining Licensee's license, the agreed upon discipline set forth herein shall go into effect.

16. If the licensee does not request review by the Administrative Hearing Commission, the agreement will become effective thirty (30) days after the agreement is signed by the committee's Executive Director.
