A motion was made by Dr. Saladin and seconded by Dr. Titterington to recommend the Board to pursue a rule amendment to 20 CSR 2110-2.240 limiting volunteer licensees to apply volunteer hours towards their required continuing education (CE) credit which will allow dentists to apply fifteen (15) hours maximum of their volunteer work to count toward their CE requirement and dental hygienists to be allowed to apply twelve (12) hours maximum of their volunteer work to count toward their CE requirement. The motion carried unanimously.

A motion was made by Ms. Bruce and seconded by Ms. Maus to recommend the Board revise the rule by changing the two (2) hours of continuing education that is currently received by licensees to attend an open dental board meeting to an hour per hour with a maximum of two (2) hours total for each open board meeting attended and to also take the verbiage out of the rule which requires that licensees sign out of the board meetings attended. The motion carried unanimously.

A motion was made by Ms. Bruce and seconded by Ms. Maus to recommend the Board adopt a revision to the rule by changing the sixteen (16) hours to ten (10) hours for giving presentations and to also change the word year to renewal cycle but to keep the rest of the language the same.
