SETTLEMENT AGREEMENT BETWEEN THE MISSOURI DENTAL BOARD
AND ARRASH AHMADNIA, D.D.S.

COME NOW Arrash Ahmadnia, D.D.S. ("Licensee"), and the Missouri Dental Board
("Board") and enter into this settlement agreement for the purpose of resolving the question of whether
Licensee’s license as a dentist will be subject to discipline.

1. Pursuant to the terms of § 536.060, RSMo., the parties hereto waive the right to a
hearing by the Administrative Hearing Commission of the State of Missouri ("AHC") regarding cause
to discipline the Licensee’s license, and, additionally, the right to a disciplinary hearing before the
Board under § 621.110, RSMo.

2. Licensee acknowledges that he understands the various rights and privileges afforded
him by law, including the right to a hearing of the charges against him; the right to appear and be
represented by legal counsel; the right to have all charges against him proven upon the record by
competent and substantial evidence; the right to cross-examine any witnesses appearing at the hearing
against him; the right to present evidence on his own behalf at the hearing; the right to a decision upon
the record by a fair and impartial administrative hearing commissioner concerning the charges pending
against him; and, subsequently, the right to a disciplinary hearing before the Board at which time he
may present evidence in mitigation of discipline; and the right to recover attorney’s fees incurred in
defending this action against his license. Being aware of these rights provided him by operation of
law, Licensee knowingly and voluntarily waives each and every one of these rights and freely enters
into this settlement agreement and agrees to abide by the terms of this document, as they pertain to
him.

3. Licensee acknowledges that he has received a copy of the investigative report and other
documents relied upon by the Board in determining there was cause to discipline his license, along
with citations to law and/or regulations the Board believes were violated.
4. The parties to this Agreement understand that the Missouri Dental Board will maintain this Agreement as an open record of the Board as provided in Chapters 332, 610 and 324, RSMo.

5. The terms of this settlement agreement are contractual, legally enforceable, and binding, not merely recital. Except as otherwise provided herein, neither this settlement agreement nor any of its provisions may be changed, waived, discharged, or terminated, except by an instrument in writing signed by the party against whom the enforcement of the change, waiver, discharge, or termination is sought.

6. Licensee, together with his heirs and assigns, do hereby waive, release, acquit and forever discharge the Board, its respective members and any of its employees, agents, or attorneys, including any former Board members, employees, agents, and attorneys, his attorney from any liability, claim, actions, causes of action, fees, costs and expenses, and compensation, including but not limited to, any claims for attorney’s fees and expenses, including any claims pursuant to § 536.087, RSMo., or any claim arising under 42 U.S.C. § 1983, which may be based upon, arise out of, or relate to any of the matters raised in this case, its settlement, or from the negotiation or execution of this settlement agreement. The parties acknowledge that this paragraph is severable from the remaining portions of this settlement agreement in that it survives in perpetuity even in the event that any court of law deems this settlement agreement or any portion thereof to be void or unenforceable.

7. If no contested case has been filed against Licensee, Licensee has the right, either at the time the settlement agreement is signed by all parties or within fifteen days thereafter, to submit the agreement to the Administrative Hearing Commission for determination that the facts agreed to by the parties to the settlement agreement constitute grounds for denying or disciplining the license of the licensee. If Licensee desires the Administrative Hearing Commission to review this Agreement, Licensee may submit this request to: Administrative Hearing Commission, Truman State Office Building, Room 640, 301 W. High Street, P.O. Box 1557, Jefferson City, Missouri, 65101.
8. If Licensee has requested review, Licensee and Board jointly request that the Administrative Hearing Commission determine whether the facts set forth herein are grounds for disciplining Licensee’s license and issue findings of fact and conclusions of law stating that the facts agreed to by the parties are grounds for disciplining Licensee’s license. Effective the date the Administrative Hearing Commission determines that the agreement sets forth cause for disciplining Licensee’s license, the agreed upon discipline set forth below shall go into effect. If Licensee does not request review by the Administrative Hearing Commission, the settlement agreement goes into effect 15 days after the document is signed by the Executive Director of the Board.

9. For the purpose of settling this dispute, Licensee stipulates that the factual allegations contained in this settlement agreement are true and stipulates with the Board that Licensee’s license, numbered 2006012741, is subject to disciplinary action by the Board in accordance with the provisions of Chapters 621 and 332, RSMo.
