AND KOURTENAY VON FREDDIE GREEN, D.D.S.

Administrative Hearing Commission of the State of Missouri ("AHC") regarding cause to discipline the

RSMo.

Licensee acknowledges that she understands the various rights and privileges afforded her by law,
including the right to a hearing of the charges against her; the right to appear and be represented by legal
counsel; the right to have all charges against her proven upon the record by competent and substantial
evidence; the right to cross-examine any witnesses appearing at the hearing against her; the right to present:
evidence on her own behalf at the hearing; the right to a decision upon the record by a fair and impartial
administrative hearing commissioner concerning the charges pending against her and, subsequently, the right to
a disciplinary hearing before the Board at which time he may present evidence in mitigation of discipline; and
the right to recover attorney's fees incurred in defending this action against her license. Being aware of these
rights provided her by operation of law, Licensee knowingly and voluntarily waives each and every one of these
rights and freely enters into this settlement agreement and agrees to abide by the terms of this document, as
they pertain to her.

Licensee acknowledges that she has received a copy of the investigative report and other documents

Joint Stipulation of Fact and Conclusions of Law

1. The Missouri Dental Board ("Board") is an agency of the State of Missouri created and established pursuant to § 332.021, RSMo, for the purpose of executing and enforcing the provisions of Chapter 332.

2. Licensee, Kourtenay Von Freddie Green, D.D.S., is licensed by the Board as a dentist, License No. 2004013239. Licensee’s Missouri license was at all times relevant herein, current and active.

3. Licensee previously was employed by and performed dental services on behalf of Senior Care Dentistry.

4. On or about April 23, 2012, the Board received information from the Department of Social Services Medicaid Audit and Compliance Unit, stating that Respondent’s Medicaid payments were being suspended due to the submission of allegedly fraudulent claims.

5. As a result of this notification, the Board began its own investigation of Respondent’s billing practices.

6. As part of its investigation, the Board, through its investigator, received and reviewed the records of 22 patients.

7. The Board’s review of the records of the 22 patients revealed that for several of those patients, Licensee had billed multiple lesion removal codes when only one code should be billed and had billed for tooth extractions and gingivectomies (a procedure to surgically remove gum tissue with the goal of saving the tooth) on the same teeth on the same day.

8. Licensee’s actions as described above in paragraph 7 constitute obtaining or attempting to obtain any fee, charge, tuition or other compensation by fraud, deception or misrepresentation or repeated irregularities in billing a third party for services rendered to a patient, for which the Board has authority to discipline Licensee’s license.

9. Licensee’s actions as described above in paragraph 7 constitute violation of a professional trust or confidence, for which the Board has authority to discipline Licensee’s license.
10. Cause exists for the Board to take disciplinary action against Licensee's license under § 332.321.2(4),(5),(6) and (13), RSMo, which states in pertinent part:

2. The board may cause a complaint to be filed with the administrative hearing commission as provided by chapter 621, RSMo, against any holder of any permit or license required by this chapter or any person who has failed to renew or has surrendered his or her permit or license for any one or any combination of the following causes:

(4) Obtaining or attempting to obtain any fee, charge, tuition or other compensation by fraud, deception or misrepresentation; or increasing charges when a patient utilizes a third-party payment program; or for repeated irregularities in billing a third party for services rendered to a patient. For the purposes of this subdivision, irregularities in billing shall include:

(a) Reporting charges for the purpose of obtaining a total payment in excess of that usually received by the dentist for the services rendered;

(b) Reporting incorrect treatment dates for the purpose of obtaining payment;

(c) Reporting charges for services not rendered;

(d) Incorrectly reporting services rendered for the purpose of obtaining payment that is greater than that to which the person is entitled;

(5) Incompetency, misconduct, gross negligence, fraud, misrepresentation or dishonesty in the performance of, or relating to one's ability to perform, the functions or duties of any profession licensed or regulated by this chapter;

(6) Violation of, or assisting or enabling any person to violate, any provision of this chapter, or any lawful rule or regulation adopted pursuant to this chapter;

(13) Violation of any professional trust or confidence[.]

Joint Agreed Disciplinary Order

Based upon the foregoing, the parties mutually agree and stipulate that the following shall constitute the disciplinary order entered by the Board in this matter under the authority of § 821.045.3, RSMo:
10. The terms of discipline shall include that upon the reinstatement of Licensee's dental license, including Licensee's compliance with the Missouri Department of Revenue, Licensee's license shall be SUSPENDED for a period of two (2) days during which time Licensee shall not be entitled to engage in the practice of dentistry under Chapter 332, RSMo. Following the period of suspension, Licensee's license shall then immediately be placed on PROBATION for a period of five (5) years ("disciplinary period"). During Licensee's probation, Licensee shall be entitled to engage in the practice of dentistry under Chapter 332, RSMo, provided she adheres to all of the terms of her Settlement Agreement.

I. EDUCATIONAL REQUIREMENTS

A. Licensee shall take and pass the Board's jurisprudence examination within twelve (12) months of this Agreement becoming effective. Licensee shall contact the Board office to request a current law packed and permission to sit for the jurisprudence examination no less than thirty (30) days prior to the date Licensee desires to take the examination. Licensee shall submit the required re-examination fee to the Board prior to taking the examination. Failure to take and pass the examination during the first twelve (12) months of the disciplinary period shall constitute a violation of this Agreement.

II. GENERAL REQUIREMENTS

A. Licensee shall meet with the Board or its representatives at such times and places as required by the Board after notification of a required meeting.

B. Licensee shall keep the Board apprised of her current home and work addresses and telephone numbers. Licensee shall inform the Board within ten days of any change of home or work address and home or work telephone number.

C. Licensee shall comply with all provisions of the Dental Practice Act, Chapter 332, RSMo; all applicable federal and state drug laws, rules, and regulations; and all federal and state criminal laws. "State" here includes the state of Missouri and all other states and territories of the United States.

D. During the disciplinary period, Licensee shall timely renew her license and timely pay all fees required for licensing and comply with all other board requirements necessary to maintain Licensee's license in a current and active state.

E. If at any time during the disciplinary period, Licensee removes herself from the state of Missouri, ceases to be currently licensed under provisions of Chapter 332, or fails to advise the Board of her current place of business and residence, the time of her absence, unlicensed status, or unknown whereabouts shall not be deemed or taken as any part of the time of discipline so imposed in accordance with § 332.321.6, RSMo.

F. During the disciplinary period, Licensee shall accept and comply with unannounced visits from the Board's representatives to monitor her compliance with the terms and conditions of this Settlement Agreement.
G. If Licensee fails to comply with the terms of this Settlement Agreement, in any respect, the Board may impose such additional or other discipline that it deems appropriate, (including imposition of the revocation).

H. This Settlement Agreement does not bind the Board or restrict the remedies available to it concerning any other violation of Chapter 332, RSMo, by Licensee not specifically mentioned in this document.

III. ADDITIONAL REQUIREMENTS

A. Licensee shall not allow her license to lapse.

B. Licensee shall notify, within 15 days of the effective date of this Settlement Agreement, all hospitals, nursing homes, out-patient centers, surgical centers, clinics, and all other facilities where Licensee practices or has privileges of Licensee’s disciplinary status. Notification shall be in writing and Licensee shall, contemporaneously with the giving of such notice, submit a copy of the notice to the Board for verification by the Board or its designated representative.

11. The parties to this Agreement understand that the Missouri Dental Board will maintain this Agreement as an open record of the Board as provided in Chapters 332, 610 and 324, RSMo.

12. The terms of this settlement agreement are contractual, legally enforceable, and binding, not merely recital. Except as otherwise provided herein, neither this settlement agreement nor any of its provisions may be changed, waived, discharged, or terminated, except by an instrument in writing signed by the party against whom the enforcement of the change, waiver, discharge, or termination is sought.

13. Licensee, together with her heirs and assigns, and her attorneys, do hereby waive, release, acquit and forever discharge the Board, its respective members and any of its employees, agents, or attorneys, including any former Board members, employees, agents, and attorneys, of, or from, any liability, claim, actions, causes of action, fees, costs and expenses, and compensation, including but not limited to, any claims for attorney’s fees and expenses, including any claims pursuant to § 536.087, RSMo, or any claim arising under 42 U.S.C. § 1983, which may be based upon, arise out of, or relate to any of the matters raised in this case, its settlement, or from the negotiation or execution of this settlement agreement. The parties acknowledge that this paragraph is severable from the remaining portions of this settlement agreement in that it survives in perpetuity even in the event that any court of law deems this settlement agreement or any portion thereof to be void or unenforceable.

14. If no contested case has been filed against Licensee, Licensee has the right, either at the time the settlement agreement is signed by all parties or within fifteen days thereafter, to submit the agreement to the Administrative Hearing Commission for determination that the facts agreed to by the parties to the settlement
agreement constitute grounds for denying or disciplining the license of the licensee. If Licensee desires the Administrative Hearing Commission to review this Agreement, Licensee may submit this request to: Administrative Hearing Commission, Truman State Office Building, Room 640, 301 W. High Street, P.O. Box 1557, Jefferson City, Missouri 65101.

15. If Licensee has requested review, Licensee and Board jointly request that the Administrative Hearing Commission determine whether the facts set forth herein are grounds for disciplining Licensee's license and issue findings of act and conclusions of law stating that the facts agreed to by the parties are grounds for disciplining Licensee's license. Effective the date the Administrative Hearing Commission determines that the agreement sets forth cause for disciplining Licensee's license, the agreed upon discipline set forth herein shall go into effect. If Licensee does not request review by the Administrative Hearing Commission, the settlement agreement goes into effect 15 days after the document is signed by the Executive Director of the Board.
