AND KOURTENAY VON FREDDIE GREEN, D.D.S.

Come now Kourtenay Von Freddie Green, D.D.S. ("Licensee") and the Missouri Dental Board ("Board"); and enter into this settlement agreement for the purpose of resolving the question of whether Licensee's license as a dentist will be subject to discipline.

Pursuant to the terms of § 536.060, RSMo,¹ the parties hereto waive the right to a hearing by the Administrative Hearing Commission of the State of Missouri ("AHC") regarding cause to discipline the Licensee's license, and, additionally, the right to a disciplinary hearing before the Board under § 621.110, RSMo.

Licensee acknowledges that she understands the various rights and privileges afforded her by law, including the right to a hearing of the charges against her; the right to appear and be represented by legal counsel; the right to have all charges against her proven upon the record by competent and substantial evidence; the right to cross-examine any witnesses appearing at the hearing against her; the right to present evidence on her own behalf at the hearing; the right to a decision upon the record by a fair and impartial administrative hearing commissioner concerning the charges pending against her and, subsequently, the right to a disciplinary hearing before the Board at which time she may present evidence in mitigation of discipline; and the right to recover attorney's fees incurred in defending this action against her license. Being aware of these rights provided her by operation of law, Licensee knowingly and voluntarily waives each and every one of these rights and freely enters into this settlement agreement and agrees to abide by the terms of this document, as they pertain to her.

Licensee acknowledges that she has received a copy of the investigative report and/or other documents relied upon by the Board in determining there was cause to discipline her license, along with citations to law and/or regulations the Board believes was violated.

For the purpose of settling this dispute, Licensee stipulates that the factual allegations contained in this settlement agreement are true and stipulates with the Board that Licensee's license, numbered 2004013239 is subject to disciplinary action by the Board in accordance with the provisions of Chapters 621 and 332, RSMo.

Joint Stipulation of Fact and Conclusions of Law

1. The Missouri Dental Board ("Board") is an agency of the State of Missouri created and established pursuant to § 332.021, RSMo 2000, for the purpose of executing and enforcing the provisions of Chapter 332.

2. Licensee Kcurtenay Von Freddie Green, D.D.S. is licensed by the Board as a dentist. License No. 2004013239. The Board issued Licensee's license on May 25, 2004. Licensee's Missouri license was not at all times relevant herein, and is not now, current and active. Licensee's license expired November 30, 2014 due to non-renewal.

3. On or about May 12, 2013, Licensee's license was suspended pursuant to § 324.010, RSMo, for failure to pay and/or file Missouri taxes.

4. On December 10, 2013, Board Investigator Tracey Pfaff contacted Licensee regarding the suspension of her dental license. Licensee stated she was not aware that her license had been suspended. Investigator Pfaff confirmed that Licensee's current address was the same address on file with the Board and was the same address to where the Board sent the letters regarding the suspension of her license. Licensee stated she had hired a company to help her deal with the Missouri Department of Revenue and her tax debt but they had not helped her. She stated she had a lot going on at the time including a 2012 house fire and depression. She stated that the dentist for whom she worked knew about her license being suspended and she said yes. Licensee asked Investigator Pfaff if she should "go home." Investigator Pfaff informed her that she could not practice while her license was under suspension. Investigator Pfaff also informed Licensee she could be subject to discipline by the Board for practicing without a current and active license. Licensee stated she understood the situation.

5. On January 20, 2014, Investigator Pfaff spoke with Special Agent Linda Hanley of the Office of the Inspector General (OIG) regarding Licensee. Special Agent Hanley stated she knew of Licensee because the OIG was investigating the practice at which Licensee worked Senior Care Dentistry, and the owner of the practice, Dr. Dednam. Special Agent Hanley stated the investigation was regarding Medicaid fraud and Medicaid billing practices. Special Agent Hanley stated that the majority of the Medicaid billing was done by Licensee. Special Agent Hanley stated Senior Care Dentistry had been notified on numerous occasions that
they were using the wrong billing code but Licensee continued to use the wrong codes. Special Agent Hanley stated they used a code regarding lesions when lesion procedures were not performed. Special Agent Hanley also stated Licensee and Senior Care Dentistry billed “the highest possible code for office visits” including cleaning, x-rays and fillings. Special Agent Hanley stated Licensee clearly knew what was going on at the practice regarding the improper billing codes. Special Agent Hanley was not aware that Licensee’s license had been suspended.

6. On or about January 27, 2014, Investigator Pfaff spoke with the Missouri Department of Revenue and confirmed that Licensee had not come into compliance and her license was still suspended. As of the date of this Settlement Agreement, Licensee’s license is still suspended pursuant to § 324.010, RSMo, for failure to pay and/or file Missouri taxes.

7. On January 28, 2014, Investigator Pfaff went to Senior Care Dentistry. When she arrived, the receptionist told her that Licensee was with a patient. Licensee stated that she had not gotten her taxes paid but she was working on it. She stated that she had continued to see patients after Investigator Pfaff informed her that her license was suspended. She stated she saw patients without any lapse including on the day Investigator Pfaff was present. She stated that most days she is “booked solid.”

8. On February 10, 2013, the Board received a letter from the Missouri Department of Social Services (DSS) stating that it terminated Licensee as a Medicaid provider retroactively to May 12, 2013 when her license was suspended. DSS also stated that any payments made to her provider number from May 12, 2013 forward would be considered overpayments and DSS would attempt to recover them.

9. On February 24, 2014, Senior Care Dentistry confirmed that Licensee was no longer working for Senior Dental Care as of February 11, 2014 and that Senior Care Dentistry had closed its doors and was no longer in business.

10. Section 332.181, RSMo states, in relevant part:

Any licensee who fails to renew his/her license on or before the license expiration date shall not perform any act for which a license is required unless and until the license is properly renewed.

12. Licensee's conduct, practicing dentistry without a current and active license, as described in paragraphs 3 through 9 above constitutes cause to discipline Licensee's license.

13. Cause exists for the Board to take disciplinary action against Licensee's license under § 332.321.2(5), (6), (7) and (13), RSMo, which states in pertinent part:

2. The board may cause a complaint to be filed with the administrative hearing commission as provided by chapter 621, RSMo, against any holder of any permit or license required by this chapter or any person who has failed to renew or has surrendered his or her permit or license for any one or any combination of the following causes:

(5) Incompetency, misconduct, gross negligence, fraud, misrepresentation or dishonesty in the performance of the functions or duties of any profession licensed or regulated by this chapter;

disciplining Licensee's license. Effective the date the Administrative Hearing Commission determines that the agreement sets forth cause for disciplining Licensee's license, the agreed upon discipline set forth herein shall go into effect.
