**FINDINGS OF FACT**

1. The Missouri Dental Board ("Board") is an agency of the State of Missouri created and established pursuant to § 332.021, RSMo 2000, for the purpose of executing and enforcing the provisions of Chapter 332.

2. On or about September 11, 2015, Watkins applied for licensure as a dentist. On her application, Watkins answered yes to the following question:

   14. Are you now being treated, or have you been treated within the past five years, through a drug or alcohol rehabilitation program? If yes, attach a full explanation and provide discharge summary or other official documentation that shows your diagnosis, prognosis and treatment plan.

3. With her application, Watkins included a statement about her answer of "yes" to question 14. In her statement, Watkins indicated that she was "voluntarily treated for substance abuse at Roger's Memorial Hospital under the medical direction of Dr. Jay Kasner and Dr. Michael Miller in 2015. Watkins also stated that Dr. Kasner would provide supporting documentation.

4. On or about September 3, 2015, the Board received the supporting documentation from Dr. Kasner. Licensee’s records indicated that:

   a. She was admitted on July 22, 2015 and discharged on July 31, 2015.

   b. She was admitted because her “alcohol use has been problematic” for the past 5 ½ years.

   c. During her fourth year of dental school she consumed anywhere between 2 and 20 drinks per day and that pattern “persisted until just recently.”
d. Licensee presented with pathologic symptoms of use including the occurrence of blackouts and rare morning tremors. Licensee also identified a preoccupation with alcohol use.

e. Licensee participated in a 12-step program and had a sponsor during her stay.

f. Dr. Kasner diagnosed Licensee with alcohol dependence and discharged with instructions to maintain abstinence from all mood-altering substance, attend regular 12-step meetings and maintain contact with her sponsor. Dr. Kasner also instructed her to continue intensive outpatient treatment in the Kansas City area.

5. On or about January 14, 2016, Licensee appeared before the Board to answer questions about her application. During her appearance, Licensee stated that:

a. She sought help with depression, anxiety and alcohol as a result of coping mechanisms developed in dental school which she realized were not healthy.

b. She stated she never had tremors but did have blackouts after drinking.

c. She stated she did not consume other mood-altering substances.

d. She stated she has a sponsor and still attends AA as well as individual therapy.

e. She stated she plans to continue with AA and joined the Missouri Dental Well Being program in December.

CONCLUSIONS OF LAW

6. The Board has authority to deny or refuse a license application pursuant to § 332.321.1, RSMo, which provides:

The board may refuse to issue any certificate of registration or authority, permit or license required pursuant to this chapter for one or any combination of causes stated in subsection 2 of this section. The board shall notify the applicant in writing of the reasons for the refusal and shall advise the applicant of his or her
right to file a complaint with the administrative hearing commission as provided by chapter 621, RSMo.

7. The Board has cause to deny or refuse Watkins’ application for a dental license pursuant to § 332.321.2 RSMo, which provides:

The board may cause a complaint to be filed with the administrative hearing commission as provided by chapter 621, RSMo, against any holder of any certificate of registration or authority, permit or license required by this chapter or any person who has failed to renew or has surrendered the person’s certificate of registration or authority, permit or license for any one or any combination of the following causes:

(1) Use of any controlled substance, as defined in chapter 195, RSMo, or alcoholic beverage to an extent that such use impairs a person’s ability to perform the work of any profession licensed or regulated by this chapter.

8. As a result of Watkins’ answer of “yes” to question 14 and the information provided in support of that as well as Watkins’ testimony before the Board, described in paragraphs 3 through 6 above, the Board has cause to deny or refuse Watkins’ application for a dental license pursuant to § 332.321.1, RSMo, and § 332.321.2(1), RSMo.

9. As an alternative to refusing to issue a license, the Board may, at its discretion, issue a license subject to probation, pursuant to § 324.038.1, RSMo, which provides:

Whenever a board within or assigned to the division of professional registration, including the division itself when so empowered, may refuse to issue a license for reasons which also serve as a basis for filing a complaint with the administrative hearing commission seeking disciplinary action against a holder of a license, the board, as an alternative to refusing to issue a license, may, at its discretion, issue to an applicant a license subject to probation.

10. The Board issues this Order in lieu of denial of Watkins’ application for a dental license. The Board has determined that this Order is necessary to ensure the protection of the public.
