Approval of Agenda
A motion was made by Eric Pitman and seconded by Gary Fraker to approve the open agenda with an amendment to add the topic of the fee rule and previously discuss renewal fee reduction. Motion carried with Kenneth McGhee, Archie Camden and Jerald Dickey voting in favor with no votes in opposition.

Fee Rule and Reduction
Sandy discussed the emergency fee rule decision made by the board relating to reducing renewal fees for the upcoming 2016 and 2017-2018 renewal period to reduce preneed seller and agent renewal fees to $5 for the 2017-2018 renewal period. She stated that in the discussions with the Secretary of State’s office and the Joint Committee on Administrative Rules there was some concern regarding filing consecutive emergency rules for the same fee types and that it was likely the emergency fee rule might not be an option to cover the renewal fee reduction for the 2016 renewal period, impacting sellers and agents. Sandy also stated that in order to seek reduced renewal fees for the 2017-2018 renewal periods impacting the other professions it may need to accompany a proposed amendment to review other fees relating to all professions. Sandy stated that her concerns included any impact made by a statutory change and it had been discussed with division staff that a proposed amendment would potentially need filed if any changes went into effect that would impact the board’s fee structure and change the projections that had been used to develop reductions that may be proposed. A motion was made by Kenneth McGhee and seconded by Archie Camden to approve the filing of the emergency rule, if possible, and the proposed amendment to reduce the renewal fees to $5 for 2017-2018. Motion carried with Jerald Dickey and Eric Pitman. Gary Fraker was not present.

2. A seller must deposit all payments received on a preneed contract into the designated preneed trust within sixty days of receipt of the funds by the seller, the preneed sales agent or designee. A seller may not require the consumer to pay any fees or other charges except as authorized by the provisions of chapter 333, RSMo, and this chapter or other state or federal law.

3. A seller may request the trustee to distribute to the seller an amount up to the first five percent of the total amount of any preneed contract as an origination fee. The seller may make this request at any time after five percent of the total amount of the preneed contract has been deposited into the trust. The trustee shall make this distribution to the seller within fifteen days of the receipt of the request.

4. This presumption may be rebutted by a showing to the board that control does not in fact exist.

If the income of the trust is insufficient to pay the costs of administration, those costs shall be paid as per the written agreements between the seller, provider and the trustee.

The seller and provider of a trust-funded guaranteed preneed contract shall be entitled to all income, including, but not limited to, interest, dividends, capital gains, and losses generated by the investment of preneed trust property regarding such contract as stipulated in the contract between the seller and provider upon performance of the contract. Income of the trust, excluding expenses allowed under this subsection, shall accrue through the life of the trust, except in instances when a contract is cancelled. The trustee of the trust may distribute market value of all income, net of losses, to the seller upon, but not before, the final disposition of the beneficiary and provision of the funeral and burial services and facilities, and merchandise to, or for, the benefit of the beneficiary. This subsection shall apply to trusts established on or after August 28, 2009.

11. Providers shall request payment by submitting a certificate of performance to the seller certifying that the provider has rendered services under the contract or as requested. The certificate shall be signed by both the provider and the person authorized to make arrangements on behalf of the beneficiary. If there is no written contract between the seller and provider, the provider shall be entitled to the market value of all trust assets allocable to the preneed contract. Sellers shall remit payment to the provider within sixty days of receiving the certificate of performance.

12. If a seller fails to make timely payment of an amount due a provider under sections 436.400 to 436.520, the provider shall have the right, in addition to other rights and remedies against such seller, to make demand upon the trustee of the preneed trust for the contract to distribute to the provider from the trust all amounts to which the seller would be entitled to receive for the preneed contract.

13. The trustee of a preneed trust, including trusts established before August 28, 2009, shall maintain adequate books and records of all transactions administered over the life of the trust and pertaining to the trust generally. The trustee shall assist the seller who established the trust or its successor in interest in the preparation of the annual report described in section 436.460. The seller shall furnish to each contract purchaser, within thirty days after receipt of the purchaser's written request, a written statement of all deposits made to such trust regarding such purchaser's contract including the principal and interest paid to date.

14. A preneed trust, including trusts established before August 28, 2009, shall terminate when the trust principal no longer includes any payments made under any preneed contract, and upon such termination the trustee shall distribute all trust property, including principal and undistributed income, to the seller which established the trust.
Compliance of contracts entered into prior to effective date--investment of trust property and assets--loans against assets prohibited.

436.435. 1. To the extent that any provisions in this chapter which come into effect on August 28, 2009, apply to trusts governed under this chapter which are in existence on August 28, 2009, such trusts shall be in compliance with this chapter no later than July 1, 2010.

2. All property held in a preneed trust, including principal and undistributed income, shall be invested and reinvested by the trustee thereof and shall only be invested and reinvested in investments which have reasonable potential for growth or producing income. Funds in, or belonging to, a preneed trust shall not be invested in any term life insurance product.

3. A trustee shall invest and manage trust assets as a prudent investor would, by considering the purposes, terms, distribution requirements, and other circumstances of the trust. In satisfying this standard, the trustee shall exercise reasonable care, skill, and caution. A trustee who has special skills or expertise, or is named trustee in reliance upon the trustee's representation that the trustee has special skills or expertise, has a duty to use those special skills or expertise when investing and managing trust assets.

4. A trustee shall diversify the investments of the trust unless the trustee reasonably determines that, because of special circumstances, the purpose of the trust is better served without diversification.

5. In investing and managing trust assets, a trustee shall consider the following as are relevant to the trust:

   (1) General economic conditions;

   (2) The possible effect of inflation or deflation;

   (3) The expected tax consequences of investment decisions or strategies;

   (4) The role that each investment or course of action plays within the overall trust portfolio;

   (5) The expected total return from income and the appreciation of capital;

   (6) Needs for liquidity, regularity of income, and preservation or appreciation of capital.

6. No seller, provider, or preneed agent shall procure or accept a loan against any investment or asset of or belonging to a preneed trust. As of [August 29, 2009] August 28, 2009, no preneed seller, provider, or agent shall use any existing preneed contract as collateral or security pledged for a loan or take preneed funds of any existing preneed contract as a loan or for any purpose other than as authorized by this chapter.
Provisions applicable to all preneed trusts.

436.440. 1. The provisions of this section shall apply to all preneed trusts, including trusts established before August 28, 2009.

2. A preneed trustee may delegate to an agent duties and powers that a prudent trustee of comparable skills would reasonably delegate under the circumstances. All such delegations shall be made pursuant to a written agreement that discloses the scope of duties and powers delegated, all compensation to be paid to the agent, and any relationships or contracts between the agent and the seller. The trustee shall exercise reasonable care, skill, and caution in:

(1) Selecting an agent;

(2) Establishing the scope and terms of the agency, consistent with the purposes and terms of the trust; [and]

(3) Periodically reviewing the agent's actions in order to monitor the agent's performance and compliance with the terms of the agency; and

(4) Disclosing the agency agreement to the seller and the trust’s beneficiaries, upon request.

3. In performing a delegated function, an agent owes duties of loyalty to all trust beneficiaries and to exercise reasonable care to comply with the terms of the agency agreement. Beneficiaries of a preneed trust include the contract seller, the provider fulfilling the preneed contract, the purchaser and the contract beneficiary.

4. By accepting a delegation of powers or duties from the trustee of a preneed trust, an agent submits to the jurisdiction of the courts of this state and to the board over trusts established pursuant to this chapter.

5. Delegation of duties and powers to an agent shall not relieve the trustee of any duty or responsibility imposed on the trustee by sections 436.400 to 436.520 or the trust agreement.

6. For trusts in existence as of August 28, 2009, it shall be permissible for those trusts to continue to utilize the services of an independent financial advisor, if said advisor was in place pursuant to section 436.031 as of August 28, 2009, and such delegation otherwise complies with this section.

Re: Rules Committee

Dear Collin:

The first meeting of the State Board Rules Committee has been scheduled for June 30th, and it is my understanding that only two matters have been included on the Committee’s agenda: Seller Records and traveling embalmers. I anticipate that the two hours scheduled for the Committee meeting will not be enough to address the Seller Records issues, and so I am requesting that the following issues be included on the next agenda of the Committee: Seller Fees; Funeral Establishments and the use of multiple DBAs, and the Scope of Financial Examinations.

With regard to Seller Records, I have enclosed a partial draft. The primary purpose of the financial examinations is to ensure consumer funds are being properly handled by sellers, and the enclosed draft addresses receipt and transfer records.

With regard to Seller Fees, I have also enclosed a proposed draft.

Sincerely,

William Stalter

PURPOSE: This rule clarifies that Section 436.430.2 does not prohibit a seller from including in a preneed contract a fee or charge that is in compliance with the Federal Trade Commission’s Funeral Rule.

(1) A seller may include in a preneed contract any fee or any charge that is disclosed on the seller’s general price list, and which has not been found by the Federal Trade Commission to violate 16 CFR Part 453.

(2) Any fee or charge that is assessed as an additional cost to the consumer to control or limit the future purchase price of the goods or services described in the preneed contract shall be excluded from the Section 436.430.2 origination fee and from Section 436.430.3 sales expense, so that one hundred percent (100%) of such fee or charge is deposited to trust, and maintained in trust until the cancellation or performance of the contract.
