
FOREIGN CREDENTIALS EVALUATION SERVICES
APPROVED BY THE MISSOURI STATE BOARD OF NURSING

All reports must come to the Board of Nursing office directly from the evaluation service and not be more than one (1) year old. The report must contain verification of all reported licenses, as well as a license check in the country of education, even if the applicant indicates a license was never issued in that country. The report must include whether any discipline has ever been issued on any licenses, the issuance and expiration date, and date of license verification. The license verifications must have been conducted within the last calendar year. No exceptions will be granted.
