

# RN PETITION FOR LICENSE RENEWAL INSTRUCTIONS

## NURSE LICENSURE COMPACT

Missouri is a member of the Nurse Licensure Compact (NLC) which allows a nurse who holds an active license to practice physically and/or electronically/telephonically in other NLC states without applying for and obtaining an additional license. Practice is defined as where the patient is located at the time nursing services are delivered. Go to [www.ncsbn.org/nlc](http://www.ncsbn.org/nlc) for a list of compact states. A nurse may only hold one multistate license issued by his/her primary state of residence. If your primary state of residence is a compact state other than Missouri and you do not plan to move to Missouri, you should not apply for a multistate license in Missouri. You should, instead, obtain/maintain a multistate license in your primary state of residence. If you do not meet the uniform licensure requirements for a multistate license ([https://www.ncsbn.org/NLC\\_ULRs.pdf](https://www.ncsbn.org/NLC_ULRs.pdf)) in your primary state of residence, you may complete this application to apply for a single state license. If you declare a non-compact state as your primary state of residence and you meet all other licensure requirements, you may receive a single state license valid for practice only in Missouri. The board reserves the right to request evidence of your primary state of residence, when needed. Proof of residency may include a driver's license or valid state identification card, voter registration, or federal income tax return declaring a primary state of residence.

## STEPS FOR REINSTATEMENT OF LICENSE

1. Enroll in Nursys® e-Notify as a Nurse at [www.nursys.com/enotify](http://www.nursys.com/enotify). Missouri does not issue a license card. You will receive notification that your license is renewed through this system. RN licenses expire April 30th of every odd-numbered year. When enrolling yourself in e-Notify, opt into the option to receive electronic license renewal reminders.
2. Complete, sign and have the RN Petition for License Renewal form notarized.
3. Submit the RN Petition with the required fee payable to the Missouri State Board of Nursing. The fee may be a money order, cashier's check or personal check. The fee is non-refundable. If your license is inactive, the fee is \$60. If your license is lapsed, the fee is \$110.
4. Submit evidence of U.S. citizenship or lawful presence. A **copy** of any of the following is acceptable evidence – DO NOT SEND ORIGINALS:
  - U.S. Birth Certificate
  - U.S. Passport
  - Permanent Resident Card
  - Unexpired Visa
  - I-94
  - I-20
  - Other official documents showing your lawful presence in the United States
5. Submit criminal background checks. This requires payment of a separate fee to the fingerprint vendor (see next section of this instruction letter for specific directions).

## CRIMINAL BACKGROUND CHECKS (FINGERPRINTS)

Go to [www.machs.mo.gov](http://www.machs.mo.gov) and register using the 4 digit registration number of **0001 (three zeroes followed by a one)**. **The name, date of birth and social security number you use to register with MACHS must match the same information on your application to the board. If it does not, you may be required to complete this process again at your expense and this will delay processing your application.** After you register, follow the instructions on their website to complete the fingerprint background check. For instructions on completing the fingerprinting process from outside the State of Missouri, go to <https://pr.mo.gov/boards/nursing/Out-of-State-Fingerprint-Process.pdf>.

## REQUIRED INFORMATION IF YOU ANSWER "YES" TO ANY SCREENING QUESTION(S)

- A separate notarized statement must be submitted that provides a detailed narrative of the circumstances surrounding your criminal record or disciplinary action and a thorough description of the rehabilitative changes in your lifestyle since the time of the offense or disciplinary action that would enable you to avoid future occurrences. Include factors in your life that you feel may have contributed to your crime or disciplinary action, what you have learned about yourself since that time, and the changes you have made that support your rehabilitation.
- Supporting documents must also be submitted to our office. This information need not accompany the application, but must be provided before a decision can be made regarding eligibility to take the licensure examination. Supporting documents include:
  - Court Certified Court Documents that include three things:
    - 1) charges (indictment, information or complaint),
    - 2) disposition of charges (Judgment, Order of Probation, Sentence and/or Deferred Orders); and
    - 3) evidence that the conditions of the court have been met.

*To obtain this documentation, for municipal offenses contact the municipal court, for state offenses, contact the circuit clerk in the county where the sentence and judgment was issued; for federal offenses, contact the district court clerk where the sentence and judgment was issued. If the record does not exist, you must obtain a statement from that court that the document has been destroyed or cannot be located.*

- Drug and/or alcohol addiction and/or treatment record examples include:
  - Medical records from an inpatient treatment program;
  - A discharge summary;
  - A current evaluation from a counselor;
  - Records of attendance at AA, NA, or other aftercare program;
  - Letter from support group sponsor;
  - Character reference letters;
  - Reference letters from faculty or program director;
  - Additional documents that clarify the situation and support your request for a license.
- It is your responsibility to provide this information. If any supporting documents are missing and/or your application must be reviewed by the members of the Missouri State Board of Nursing, you will be contacted in writing.

## HOW WILL I BE NOTIFIED THAT MY LICENSE IS RENEWED?

Missouri does not issue a license card. Enroll yourself as an individual in e-Notify at [www.nursys.com/enotify](http://www.nursys.com/enotify). By enrolling into Nursys® e-Notify, you will receive licensure status updates, be able to track license verifications for endorsement and manage multiple license expiration reminders. Keeping on top of your license can help you prevent any fraudulent licenses or certificates being issued in your name. You will also be able to participate in a survey on nursing workforce in Missouri. The Missouri State Board of Nursing uses this information to gather important workforce data and uses the data to enhance Missouri's ability to plan for nurse supply and demand and, ultimately, improve healthcare for all.

RN licenses expire April 30th of every odd-numbered year. When enrolling yourself in e-Notify, opt into the option to receive automated electronic reminders when you have a license that will be expiring within 30 days.

## NOTICE

Effective July 1, 2003, all persons and business entities renewing a license with the Division of Professional Registration are required to have paid all state income taxes, and also are required to have filed all necessary state income tax returns for the preceding three years. If you have failed to pay your taxes or have failed to file your tax returns your license will be subject to immediate revocation within 90 days of being notified by the Missouri Department of Revenue of any delinquency or failure to file. This requirement was enacted in House Bill 600 of the 92<sup>nd</sup> General Assembly (2003), and was signed into law by the Governor on July 1, 2003.

All persons and business entities renewing a license with the Division of Professional Registration are required to have paid all state income taxes, and also are required to have filed all necessary state income tax returns in the preceding three (3) years. If you have failed to pay your taxes or failed to file your tax returns, your license will be subject to immediate suspension within ninety (90) days of being notified by the Missouri Department of Revenue of any delinquency or failure to file pursuant to §324.010 RSMo.

You cannot be granted a license until you provide a United States social security number. Pursuant to 42 U.S.C. Section 666(1)(13), federal law requires each state to institute procedures to obtain the social security number of any applicant for a professional license or occupational license and requires that the social security number be recorded on the application.

Furthermore, section 324.024 RSMo, requires "every application for a license, certificate, registration, or permit or renewal of a license, certificate, registration, or permit issued in this state...contain the Social Security of the applicant. This provision shall not apply to an original application for a license, certificate, registration, or permit submitted by a citizen of a foreign country who has never been issued a Social Security number and who previously has not been licensed by any other state, United States territory, or federal agency. A citizen of a foreign country applying for licensure with the division of professional registration shall be required to submit his or her bias or passport identification number in lieu of the Social Security number."

**c. Collective Naturalization**

If the applicant cannot present one of the documents listed in (a) or (b) above, the following will establish U.S. citizenship for collectively naturalized individuals:

**Puerto Rico:**

- Evidence of continuous domicile in the NMI since before January 1, 1974 and the applicant's statement that he or she did not owe allegiance to a foreign state on November 4, 1986 (NMI local time). Note: If a person entered the NMI as a nonimmigrant and lived in the NMI since January 1, 1974, this does not constitute continuous domicile and the individual is not a U.S. citizen

**d. Derivative Citizenship**

If the applicant cannot present one of the documents listed in a or b above, the following may be used to make determination of derivative U.S. citizenship:

**Applicant born abroad to two U.S. citizen parents:** Evidence of the U.S. citizenship of the parents and the relationship of the applicant to the parents, and evidence that at least one parent resided in the U.S. or an outlying possession prior to the applicant's birth.

**Applicant born abroad to a U.S. citizen parent and a U.S. non-citizen national parent:** Evidence that one parent is a U.S. citizen and that the other is a U.S. non-citizen national, evidence of the relationship of the applicant to the U.S. citizen parent, and evidence that the U.S. citizen parent resided in the U.S., a U.S. possession, American Samoa or Swain's Island for a period of at least one year prior to the applicant's birth.

**Applicant born out of wedlock abroad to a U.S. citizen mother:** Evidence of the U.S. citizenship of the mother, evidence of the relationship to the applicant and, for births on or before December 24, 1952, evidence that the mother resided in the U.S. prior to the applicant's birth or, for births after December 24, 1952, evidence that the mother had resided, prior to the child's birth, in the U.S. or a U.S. possession for a period of one year.

**Applicant born in the Canal Zone or the Republic of Panama:**

- A birth certificate showing birth in the Canal Zone on or after February 26, 1904 and before October 1, 1979 and evidence that one parent was a U.S. citizen at the time of the applicant's birth; or
- A birth certificate showing birth in the Republic of Panama on or after February 26, 1904 and before October 1, 1979 and evidence that at least one parent was a U.S. citizen and employed by the U.S. government or the Panama Railroad Company or its successor in title.

In all other situations in which an applicant claims to have a U.S. citizen parent and an alien parent, or claims to fall within one of the above categories, but is unable to present the listed documentation:

- If the applicant is in the U.S., the applicant should contact the local U.S. Citizenship and Immigration Service office for determination of U.S. citizenship;
- If the applicant is outside the U.S., the applicant should contact the State Department for a U.S. citizenship determination.

**e. Adoption of Foreign-Born Child by U.S. Citizen**

- If the birth certificate shows a foreign place of birth and the applicant cannot be determined to be a naturalized citizen under any of the above criteria, obtain other evidence of U.S. citizenship;
- Because foreign-born adopted children do not automatically acquire U.S. citizenship by virtue of adoption by U.S. citizens, the applicant should contact the local U.S. Citizenship and Immigration Service office for a determination of U.S. citizenship, if the applicant provides no evidence of U.S. citizenship.

**f. U.S. Citizenship By Marriage**

A woman acquired U.S. citizenship through marriage to a U.S. citizen before September 22, 1922. Provide evidence of U.S. citizenship of the husband, and evidence showing the marriage occurred before September 22, 1922.

Note: If the husband was an alien at the time of the marriage, and became naturalized before September 22, 1922, the wife also acquired naturalized citizenship. If the marriage terminated, the wife maintained her U.S. citizenship if she was residing in the U.S. at that time and continued to reside in the U.S.
