LPN ENDORSEMENT APPLICATION INSTRUCTION LETTER

IMPORTANT INFORMATION about your ability to practice nursing
You may not work as a nurse in Missouri without a current Missouri nursing license or multistate license from a compact state. This includes orientation as well as any other employment in which you are being compensated as a nurse, regardless of whether or not the position includes hands on patient care. For a current list of states in the nurse licensure compact go to www.ncsbn.org
You are required to abide by the laws in the state in which you practice nursing. You can view and/or print the State of Missouri Nursing Practice Act from the board’s web site at www.pr.mo.gov/nursing

Enhanced Nurse Licensure Compact
Missouri is a member of the Enhanced Nurse Licensure Compact (eNLC) which allows a nurse who holds an active license to practice physically and/or electronically/telephonically in other eNLC states, where a patient is located, without applying for and obtaining an additional license. Go to www.ncsbn.org/enlc for a list of compact states. A nurse may only hold one multistate license issued by his/her primary state of residence. If your primary state of residence is a compact state other than Missouri and you do not plan to move to Missouri, you should not apply for a multistate license in Missouri. You should, instead, obtain/maintain a multistate license in your primary state of residence. If you do not meet the uniform licensure requirements for a multistate license in your primary state of residence, you may complete this application to apply for a single state license. If you declare a non-compact state as your primary state of residence and you meet all other licensure requirements, you may receive a single state license valid for practice only in Missouri. The board reserves the right to request evidence of your primary state of residence, when needed. Proof of residency may include a driver’s license or valid state identification card, voter registration, or federal income tax return declaring a primary state of residence.

Application Requirements are as follows:
• Completed, signed and notarized application
• $51.00 fee - Make check or money order payable to Missouri State Board of Nursing. The fee may be a money order, cashier’s check or personal check. The fee is non-refundable.
• Evidence of U.S. citizenship or lawful presence
• Criminal background checks
• Verification of License(s). Go to www.nursys.com and click on Request Verification.
• Official final transcript. Request that your nursing education program submit an official final transcript. The transcript must include your current name, date of completion, degree or diploma awarded, signature if the director/registrar and the school seal or stamp. If educated in a foreign country, Puerto Rico or Canada see the section “International, Puerto Rico or Canadian Educated” for additional information regarding transcript requirements.

Criminal Background Checks (Fingerprint)
Go to www.machs.mo.gov and register using the 4 digit registration number of 0001 (three zeroes followed by a one). The name, date of birth and social security number you use to register with MACHS must match the same information on your application to the board. If it does not, you may be required to complete this process again at your expense and this will delay processing your application. After you register, follow the instructions on their website to complete the fingerprint background check.

Required Information if you answer YES To Any Screening Question(s)
• A separate notarized statement that provides a detailed narrative of the circumstances surrounding your criminal record or disciplinary action and a thorough description of the rehabilitative changes in your lifestyle since the time of the offense or disciplinary action that would enable you to avoid future occurrences. Include factors in your life that you feel may have contributed to your crime or disciplinary action, what you have learned about yourself since that time, and the changes you have made that support your rehabilitation.
• Supporting documents. This information need not accompany the application, but must be provided before a decision can be made regarding eligibility to take the licensure examination. Supporting documents include:
• Court Certified Court Documents that include three things:
  1) charges (indictment, information or complaint),
  2) disposition of charges (Judgment, Order of Probation, Sentence and/or Deferred Orders); and
  3) evidence that the conditions of the court have been met.
To obtain this documentation, for municipal offenses contact the municipal court, for state offenses, contact the circuit clerk in the county where the sentence and judgment was issued; for federal offenses, contact the district court clerk where the sentence and judgment was issued. If the record does not exist, you must obtain a statement from that court that the document has been destroyed or cannot be located.
• Drug And/Or Alcohol Addiction And/Or Treatment Record Examples:
  ▪ Medical records from an inpatient treatment program,
  ▪ A discharge summary
  ▪ A current evaluation from a counselor
  ▪ Records of attendance at AA, NA, or other aftercare program
  ▪ Letter from support group sponsor
  ▪ Character reference letters
  ▪ Reference letters from faculty or program director; additional documents that clarify the situation and support your request for a license.
• It is your responsibility to provide this information. If any supporting documents are missing and/or your application must be reviewed by the members of the Missouri State Board of Nursing, you will be contacted in writing.
General Information YOU Need To Know

• If you qualify, you will automatically be issued a temporary permit valid for six (6) months. You may only be issued one (1) temporary permit in your lifetime.
• You may not practice nursing in the state of Missouri once your temporary permit has expired unless you have been issued a current Missouri license.
• It is your legal and professional responsibility to inquire at the Board office before your application and/or Temporary Permit expires regarding the status of your application.
• You may not begin employment in Missouri or use the initials LPN, or otherwise represent yourself as a nurse in this state unless you have been issued a Missouri license or Temporary Permit. This includes orientation and other nursing employment situations that may or may not include hands-on patient care.
• Your application will automatically be retired one year from the date it is received in our office if you fail to meet all licensure requirements. You will not be notified and will have to reapply if you desire to practice nursing in Missouri in the future.

IV-Certification Status
Pursuant to 20 CSR 2200-6.010 (10), if you are IV-certified in another state or compact state, your IV-certification status does not transfer to Missouri. If you wish to obtain IV certification in Missouri you may contact a course approved by the Missouri State Board of Nursing and request evaluation of the curriculum taken in another state. You may obtain a list of IV therapy programs from our web site at http://pr.mo.gov. The IV therapy course coordinator may:
• Accept the course taken as equivalent to Missouri’s requirements;
• Accept a portion of the curriculum taken and require you to complete any deficiencies before issuing a certificate; or
• Require you to complete the entire IV therapy course before issuing a certificate. The decision regarding acceptance of a transfer course or acceptance into an approved course is that of the institution providing the course.

Military Education For Licensed Practical Nurses
The U.S. Army Practical Nurse Course #300-91C30 and the Air Force BMTCP 4N051 – 5 skill level and above are approved practical nurse programs.

International, Puerto Rico or Canadian Educated
If you were licensed by examination in another state or territory and you received your nursing education outside of the United States, in Puerto Rico or in Canada, you need to have a credentials evaluation service, approved by the board, send our office a course-by-course evaluation report or have the Commission on Graduates of Foreign Nursing Schools (CGFNS) send our office your CGFNS certificate. A list of credentials evaluation services can be found on our web site or by contacting our office. A Temporary Permit cannot be issued until the course-by-course report or CGFNS certificate and evidence that you were originally licensed in another state or territory by a recognized examination are received and evaluated. This evaluation may not be more than one year old.

NOTICE
Effective July 1, 2003, all persons and business entities renewing a license with the Division of Professional Registration are required to have paid all state income taxes, and also are required to have filed all necessary state income tax returns for the preceding three years. If you have failed to pay your taxes or have failed to file your tax returns your license will be subject to immediate revocation within 90 days of being notified by the Missouri Department of Revenue of any delinquency or failure to file. This requirement was enacted in House Bill 600 of the 92nd General Assembly (2003), and was signed into law by the Governor on July 1, 2003.

"All persons and business entities renewing a license with the Division of Professional Registration are required to have paid all state income taxes, and also are required to have filed all necessary state income tax returns in the preceding three (3) years. You cannot be granted a license until you provide a United States social security number. Pursuant to 42 U.S.C. Section 666(1)(13), federal law requires each state to institute procedures to obtain the social security number of any applicant for a professional license or occupational license and requires that the social security number be recorded on the application.
Furthermore, section 324.024 RSMo, requires “every application for a license, certificate, registration, or permit or renewal of a license, certificate, registration, or permit issued in this state...contain the Social Security of the applicant. This provision shall not apply to an original application for a license, certificate, registration, or permit submitted by a citizen of a foreign country who has never been issued a Social Security number and who previously has not been licensed by any other state, United States territory, or federal agency. A citizen of a foreign country applying for licensure with the division of professional registration shall be required to submit his or her visa or passport identification number in lieu of the Social Security number.”

c. **Collective Naturalization**

If the applicant cannot present one of the documents listed in (a) or (b) above, the following will establish U.S. citizenship for collectively naturalized individuals:

**Puerto Rico:**
- Evidence of birth in Puerto Rico on or after April 11, 1899 and the applicant’s statement that he or she was residing in the U.S., a U.S. possession or Puerto Rico on January 13, 1941; or

Note: If a person entered the NMI as a nonimmigrant and lived in the NMI since January 1, 1974, this does not constitute continuous domicile and the individual is not a U.S. citizen.

**d. Derivative Citizenship**

If the applicant cannot present one of the documents listed in a or b above, the following may be used to make determination of derivative U.S. citizenship:

**Applicant born abroad to two U.S. citizen parents:** Evidence of the U.S. citizenship of the parents and the relationship of the applicant to the parents, and evidence that at least one parent resided in the U.S. or an outlying possession prior to the applicant’s birth.

**Applicant born abroad to a U.S. citizen parent and a U.S. non-citizen national parent:** Evidence that one parent is a U.S. citizen and that the other is a U.S. non-citizen national, evidence of the relationship of the applicant to the U.S. citizen parent, and evidence that the U.S. citizen parent resided in the U.S., a U.S. possession, American Samoa or Swain’s Island for a period of at least one year prior to the applicant’s birth.

**Applicant born out of wedlock abroad to a U.S. citizen mother:** Evidence of the U.S. citizenship of the mother, evidence of the relationship to the applicant and, for births on or before December 24, 1952, evidence that the mother resided in the U.S. prior to the applicant’s birth; or, for births after December 24, 1952, evidence that the mother had resided, prior to the child’s birth, in the U.S. or a U.S. possession for a period of one year.

**Applicant born in the Canal Zone or the Republic of Panama:**
- A birth certificate showing birth in the Canal Zone on or after February 26, 1904 and before October 1, 1979 and evidence that one parent was a U.S. citizen at the time of the applicant’s birth; or
- A birth certificate showing birth in the Republic of Panama on or after February 26, 1904 and before October 1, 1979 and evidence that at least one parent was a U.S. citizen and employed by the U.S. government or the Panama Railroad Company or its successor in title.

In all other situations in which an applicant claims to have a U.S. citizen parent and an alien parent, or claims to fall within one of the above categories, but is unable to present the listed documentation:
- If the applicant is in the U.S., the applicant should contact the local U.S. Citizenship and Immigration Service office for determination of U.S. citizenship;
- If the applicant is outside the U.S., the applicant should contact the State Department for a U.S. citizenship determination.

**e. Adoption of Foreign-Born Child by U.S. Citizen**

- If the birth certificate shows a foreign place of birth and the applicant cannot be determined to be a naturalized citizen under any of the above criteria, obtain other evidence of U.S. citizenship;
- Because foreign-born adopted children do not automatically acquire U.S. citizenship by virtue of adoption by U.S. citizens, the applicant should contact the local U.S. Citizenship and Immigration Service office for a determination of U.S. citizenship, if the applicant provides no evidence of U.S. citizenship.
f. **U.S. Citizenship By Marriage**

A woman acquired U.S. citizenship through marriage to a U.S. citizen before September 22, 1922. Provide evidence of U.S. citizenship of the husband, and evidence showing the marriage occurred before September 22, 1922.

Note: If the husband was an alien at the time of the marriage, and became naturalized before September 22, 1922, the wife also acquired naturalized citizenship. If the marriage terminated, the wife maintained her U.S. citizenship if she was residing in the U.S. at that time and continued to reside in the U.S.

NONCRIMINAL JUSTICE APPLICANT’S PRIVACY RIGHTS

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for employment or a license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below.

- You must be provided written notification \(^1\) that your fingerprints will be used to check the criminal history records of the FBI.
- You must be provided, and acknowledge receipt of, an adequate Privacy Act Statement when you submit your fingerprints and associated personal information. This Privacy Act Statement should explain the authority for collecting your information and how your information will be used, retained, and shared. \(^2\)
- If you have a criminal history record, the officials making a determination of your suitability for the employment, license, or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record.
- The officials must advise you that the procedures for obtaining a change, correction, or update of your criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the employment, license, or other benefit based on information in the criminal history record. \(^3\)

You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council. \(^4\)

If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at https://www.fbi.gov/services/cjis/identity-history-summary-checks.

If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry.
