

**SUMMARY OF ACTIVE APRNS
STATE OF MISSOURI
04/02/2025***

<u>CLINICAL NURSE SPECIALISTS</u>	242
<u>NURSE ANESTHETISTS</u>	2,350
<u>NURSE MIDWIVES</u>	224
<u>NURSE PRACTITIONERS</u>	13,557

NOTE: Earliest recognition date was September, 1996. Pursuant to changes in 335.046 RSMo effective August 28, 2023, the Document of Recognition was changed to a license. The title of this summary was changed April 2024.

***Number of licenses may fluctuate throughout the month.**

****Total number of licenses issued does not indicate the number of APRNs living in our state. (a) many APRNs work telephonically from another state or (b) due to APRNs holding certifications in more than one role and/or population.**
