Please contact the Board office to determine if you are eligible to retest and request an examination retake application (*A retake application may not be required; See instructions below*):

Missouri Board of Pharmacy
(573) 751-0091
pharmacist@pr.mo.gov

Important Notes

- The Board allows applicants to take each examination two (2) times without filing a retake application with the Board. Apply directly with NABP to retake the examination(s) if you have not failed the specific exam(s) two (2) or more times. A Board retake application is not required.
- Applicants who have failed the exam more than twice (2x) must have a completed Missouri pharmacist license application on file with the Board before you are authorized to retest (exam, reciprocity/transfer). Contact the Board office at (573) 751-0091 for instructions if you do not have a pharmacist application already on file (exam, transfer or reciprocity). DO NOT FILE A RETAKE APPLICATION IF YOU DO NOT CURRENTLY HAVE A MISSOURI PHARMACIST APPLICATION ON FILE WITH THE BOARD.
- The Board will electronically grant ATT directly with NABP after you are registered with NABP to retest; Monitor your NABP account for updates on test eligibility.
- A minimum score of seventy-five (75) is required to pass each exam. The NAPLEX and MPJE are scored independently and may be retaken independently. You are only required to retake the exam(s) that was not passed.
- The Board may establish additional training or study requirements before you are authorized to retest. Alternatively, you may be required to meet with the Board prior to approval.
- **MOPRO Online Retake Applications**: Applicants should contact the office before filing an electronic retake application via the MOPRO online licensing portal. Electronic MOPRO retake applications may be rejected if the applicant is not eligible to retest or has not filed a Missouri pharmacist application.
