7. Adjournment
PURPOSE: This rule establishes criteria to be used by the Board of Pharmacy to award grants to eligible recipients under the Rx Cares for Missouri Program established by section 338.710, RSMo.

(1) The purpose of the “Rx Cares for Missouri Program” is to promote medication safety and to prevent prescription drug abuse, misuse and diversion in Missouri.

(2) Eligible Recipients. To be eligible to receive a Rx Cares for Missouri grant, the applicant must be:

(A) A state or federal governmental agency;

(B) A state, local or municipal governmental public health or law enforcement agency;

(C) A pharmacy school/college located in Missouri accredited by the Accreditation Council for Pharmacy Education (ACPE); or

(D) A Missouri institution of higher education accredited by a national or regional accrediting body recognized by the United States Secretary of Education.

(3) Proposal Requirements. Grant proposals must benefit Missouri citizens by furthering the goals of the Rx Cares for Missouri Program (“the Program”). Grant proposals must be submitted in writing and include-

(A) A cover letter of support from the president/dean or chief executive/law enforcement officer of the sponsoring institution;

(B) A one (1) page abstract of the project that includes the project’s goals, purpose, scope and proposed timelines;

(C) A narrative description of the following:

1. Activities that will be undertaken as part of the grant, including, the intended audience;

2. The goals and objectives of the project. Services and anticipated outcomes must be clearly described and align with Program goals;
3. A description of the capacity and structure the institution has in place to administer the grant activities, including, staff and personnel who will be administering the grant and their relevant education, experience or qualifications;

4. An explanation of how the proposal will further the goals of the Rx Cares for Missouri program;

5. A projected timeline for implementation and completion of proposed grant activities. Grant activities must be completed on or before August 28, 2019;

6. Evaluation measures for assessing impact and effectiveness;

7. A budget summary and narrative that clearly details personnel, activities, and services that will be paid for through grant funds. Proposed expenditures for the grant program must be clearly identified along with a narrative that details how funds will be used to accomplish the goals and objectives of the project.

(4) Awarded Grants. Grant funds shall be awarded at the discretion of the board subject to funding availability. Approved grant projects must be capable of completion on or before August 28, 2019. Grant recipients must submit a final written report to the board within forty-five (45) days after program completion that details activities conducted pursuant to the grant, project outcomes, expenditures paid from grant funding, the number of Missouri beneficiaries/recipients of grant services and project impact/effectiveness based on identified evaluation measures.

(5) Grant Application Submission Deadlines. Grant proposals must be submitted to the Board on or before December 1, 2018. Proposals will be accepted on an ongoing basis and subject to fund availability. To be considered complete, grant applications must include all components identified in section (3) of this rule and must be received at the board office by 5:00 p.m. on December 1, 2018.
PURPOSE: This rule establishes criteria to be used by the Board of Pharmacy to award grants to eligible recipients under the Rx Cares for Missouri Program established by section 338.710, RSMo.

(1) The purpose of the “Rx Cares for Missouri Program” is to promote medication safety and to prevent prescription drug abuse, misuse and diversion in Missouri.

(2) Eligible Recipients. To be eligible to receive a Rx Cares for Missouri grant, the applicant must be:
   (A) A municipal, state or federal governmental agency;
   (B) A municipal, state or local law enforcement agency or public health agency;
   (C) A pharmacy school/college located in Missouri accredited by the Accreditation Council for Pharmacy Education (ACPE); or
   (D) A Missouri institution of higher education accredited by a national or regional accrediting body recognized by the United States Secretary of Education.

(3) Submission Requirements. Whereas unused or unwanted medication contributes to prescription drug abuse and misuse, grant proposals must benefit Missouri citizens by furthering the goals of the Rx Cares for Missouri Program (“the Program”) and provide for the destruction and disposal of unused or unwanted medication collected from the public.

(4) Submission Requirements. Grant proposals must be submitted in writing and include-
   (A) A cover letter of support from the president/dean or chief executive/law enforcement officer of the sponsoring institution;
   (B) A one (1) page abstract of the project that includes the project’s goals, purpose, scope and proposed timelines;
   (C) A narrative description of the following:
       1. Methods or plans to collect, destroy or otherwise dispose of unused or unwanted medication;
2. A designated representative who will be responsible for overseeing the grant program;
3. A projected timeline for implementation and completion of grant activities. The designated medication collection, destruction or disposal program must be completed on or before August 28, 2019; and
4. A budget summary and narrative that clearly details personnel, activities, and services that will be paid for through grant funds. Proposed expenditures for the grant program must be clearly identified.

(4) Awarded Grants. Grant funds shall be awarded at the discretion of the board subject to funding availability. Approved grant projects must be capable of completion on or before August 28, 2019. Grant recipients must submit a final written report to the board within forty-five (45) days after program completion that details activities conducted pursuant to the grant, expenditures paid from grant funding and the estimated amount of medication collected, disposed of or destroyed.

(5) Grant Application Submission Deadlines. Grant proposals must be submitted to the Board on or before December 1, 2018. Proposals will be accepted on an ongoing basis and subject to fund availability. To be considered complete, grant applications must include all components identified in section (3) of this rule and must be received at the board office by 5:00 p.m. on December 1, 2018.
