AGREEMENT BETWEEN THE STATE BOARD OF PODIATRY
AND MITCHELL A. STARR REGARDING DISCIPLINE OF
THE LICENSE OF MITCHELL A. STARR AS A PODIATRIST

I.

Come now Mitchell A. Starr and the State Board of Podiatry
and enter into this Agreement for the purpose of resolving the
question of whether the license of Mitchell A. Starr as a
podiatrist will be subject to discipline.

Mitchell A. Starr ("Licensee") understands that this
Agreement is in lieu of a trial-type hearing of the charges by
the Administrative Hearing Commission where he would have the
right to appear and be represented by legal counsel; the right
to have all charges proven upon the record by competent and
substantial evidence; the right to cross-examine any witnesses
appearing at the hearing; the right to a decision upon the
record by a fair and impartial administrative hearing
commissioner concerning the charges pending, and subsequently,
the right to a disciplinary hearing before the State Board of
Podiatry at which time evidence in mitigation of discipline may
be presented; and the right to a claim for attorneys fees and
expenses. Being aware of these rights, the parties knowingly
and voluntarily waive each and every one of these rights and
agree to abide by the terms of this document, in lieu of
proceedings before the Administrative Hearing Commission.

II.

Licensee hereby stipulates with the State Board of Podiatry
to the following facts:
1. The State Board of Podiatry ("the Board") is an agency of the State of Missouri created and established pursuant to Section 330.110, RSMo 1992, for the purpose of executing and enforcing the provisions of Chapter 330, RSMo.

2. Licensee is licensed by the Board as a podiatrist, License Number 629. Licensee's Missouri license is non-current.

3. On or about December 13, 1991, information was provided to the Board of Healing Arts of the State of Kansas, which indicated that Licensee had a possible inability to engage in the practice of podiatry with an applicable standard of care as recognized in Kansas, due to possible alcohol and/or chemical impairment in violation of K.S.A. 1991 Supp. 65-2006(a)(10). That Licensee completed an inpatient drug treatment program on or around January 13, 1992 at Cedar Ridge Hospital, Shawnee, Kansas. That on or around September 22, 1992, Licensee was arrested on several felony charges which included possession of cocaine and marijuana. That Licensee had entered into a contract on January 6, 1992, with Professional Advisory Services.

4. Licensee entered into a Stipulation and Agreement with the Kansas State Board of Healing Arts on November 4, 1992, whereby Licensee voluntarily surrendered his Kansas license to practice podiatry in Kansas and agreed not to apply for reinstatement any time in the future.

5. Cause exists for discipline against Licensee's license as a podiatrist pursuant to § 330.160.2(1), (5), (8), (13) and (15), RSMo 1986.
III.

In light of the foregoing stipulation of facts, Licensee and the Board hereby consent and agree to the following disciplinary action to be imposed against license number 629. Effective the date this document is signed by the Board, the license is hereby REVOLED. Licensee shall immediately return his podiatry license to the State Board of Podiatry.

Upon failure of Licensee to comply with the terms of this Agreement, the Board may impose such other discipline as it deems appropriate.
