STATE COMMITTEE OF PSYCHOLOGISTS

Jefferson City, MO 65102

Petitioner,

v.

ELYA I. BRESLER
397 Imperial Way
Daly City, CA 94105

Respondent.

COMPLAINT

Comes now petitioner, by and through its attorney, the
Attorney General of the state of Missouri, and for its cause of
action states:

1. Petitioner, State Committee of Psychologists, an ad-
junct to the Missouri Board of Registration for the Healing
Arts, is responsible pursuant to § 337.050, RSMo Supp. 1984, for
advising and making recommendations to the Department of Economic
Development concerning the licensing and disciplining of
psychologists in the state of Missouri.

2. Elya I. Bresler was licensed by reciprocity from the
state of Illinois on December 17, 1978. Respondent's license
number is PYR0001. This license has not been renewed for 1986.

3. On respondent's application for licensure in this
state, respondent stated that he had earned a Master's Degree in
1938 and a Ph.D. Degree in 1947 from the University of California-Berkeley.

4. On March 20, 1980, respondent entered into a consent order with the state of Illinois Department of Registration and Education wherein respondent stipulated to the following facts:

"1. That Respondent was issued License 72-1598 based upon reciprocity with the State of California.

2. That the Department of Registration and Education of the State of Illinois has received a certified letter from the State of California, Board of Medical Quality Assurance which indicates that Elya Bresler has never been licensed as a psychologist in the State of California.

3. That Respondent admits that he has never held certificate of registration PL 31 as a Registered Psychologist in the State of California.

4. That Respondent agrees voluntarily to the revocation of License Number 72-1598 which was issued to him."

A copy of this consent order is attached as Exhibit A and incorporated herein by reference.

5. Respondent's application for licensure contained false information, and respondent's licensure through reciprocity in this state was predicated upon respondent's misrepresentations as to his prior licensure in California.

6. 4 CSR 235-5.020(3)(A) states, in pertinent part:

"Psychologists accurately represent their competence, education, training, and experience. They claim as evidence of educational qualifications only those degrees obtained from institutions
acceptable under the bylaws and rules of council of the American Psychological Association."

7. 4 CSR 235-5.020(4) states, in pertinent part:

"Moral and Legal Standards: Psychologists' moral and ethical standards of behavior are a personal matter to the same degree as they are for any other citizen, except as these may compromise the fulfillment of their professional responsibilities or reduce the public trust in psychology and psychologists. Regarding their own behavior, psychologists are sensitive to prevailing community standards and to the possible impact that conformity to or deviation from these standards may have upon the quality of their performance as psychologists. Psychologists are also aware of the possible impact of their public behavior upon the ability of colleagues to perform their professional duties."

8. Respondent's conduct as set forth in Paragraphs 1 through 5 above constitutes a violation of § 337.035.2, RSMo Supp. 1984, which states, in pertinent part:

"2. The department may cause a complaint to be filed with the administrative hearing commission as provided by chapter 621, RSMo, against any holder of any certificate of registration or authority, permit or license required by this chapter or any person who has failed to renew or has surrendered his certificate of registration or authority, permit or license for any one or any combination of the following causes:

* * *

(3) Use of fraud, deception, misrepresentation or bribery in securing any certificate of registration or authority, permit or license issued pursuant to this chapter or in obtaining permission to take any examination given or required pursuant to this chapter;

* * *
(5) Incompetency, misconduct, gross negligence, fraud, misrepresentation or dishonesty in the performance of the functions or duties of any profession licensed or regulated by this chapter;

(6) Violation of, or assisting or enabling any person to violate, any provision of this chapter, or of any lawful rule or regulation adopted pursuant to this chapter;

*     *     *

(8) Disciplinary action against the holder of a license or other right to practice any profession regulated by this chapter granted by another state, territory, federal agency or country upon grounds for which revocation or suspension is authorized in this state;

*     *     *

(11) Issuance of a certificate of registration or authority, permit or license based upon a material mistake of fact;

*     *     *

(13) Violation of any professional trust or confidence;

*     *     *

(15) Being guilty of unethical conduct as defined in 'Ethical Standards for Psychologists' as adopted by the department and filed with the secretary of state."

WHEREFORE, petitioner respectfully prays this Administrative Hearing Commission to conduct a hearing in this cause pursuant to §§ 621.015, et seq., RSMo Supp. 1984, and thereafter issue its findings of fact and conclusions of law that the psychologist license of Elya I. Bresler is subject to disciplinary action under § 337.035, RSMo Supp. 1984, by petitioner, State
Committee of Psychologists, for violations of Chapter 337, RSMo.
