SOCIAL WORKERS AND STACEY SCHAUER, A/K/A STACEY COOPER

charges against Licensee; and the right to a claim for attorney fees and expenses incurred in defending this action against Licensee's License.

Licensee acknowledges that Licensee has received a copy of the investigatory report, and other documents relied upon by the Committee in determining that Licensee has failed to abide by the terms of the 2013 Settlement Agreement, along with citations to the provisions of the Settlement Agreement the Committee believes were violated.

Being aware of these rights provided to Licensee by law, Licensee knowingly and voluntarily waives each and every one of these rights and freely enters into this Settlement Agreement and agrees to abide by the terms of this document as they pertain to Licensee.

Licensee stipulates that the factual allegations contained in this Settlement Agreement are true and stipulates with the Committee that Licensee's clinical social worker's license, numbered 2012003643 ("Schauer's Missouri License") is subject to additional disciplinary action by the Committee in accordance with the provisions of Section 324.042, RSMo.

I.

Stipulation of Facts and Conclusions of Law

The Committee and Stacey Schauer, a/k/a Stacey Cooper (“Licensee”) stipulate to the following findings of facts and conclusions of law:

2. The Committee is an agency of the State of Missouri, created and existing pursuant to §337.622, RSMo, for the purpose of carrying out the provisions of §337.600 through §337.689, RSMo.

3. Licensee, Stacey Schauer, a/k/a Stacey Cooper, is a natural person who has registered this address with the Committee: 1228 E. Johnston Street, Olathe, Kansas, 66061.

4. Licensee holds a Missouri clinical social worker license, number 2012003643. Licensee’s clinical social worker license lapsed September 30, 2013 and Licensee has taken no steps to renew or have this license reinstated.

5. Licensee and the Committee entered into a Settlement Agreement executed on March 18, 2013 which became effective April 3, 2013 (the “2013 Settlement Agreement”) (A true and accurate copy of the 2013 Settlement Agreement is attached as Exhibit 1 to this Settlement Agreement and incorporated by reference).

6. The 2013 Settlement Agreement imposed the discipline on Licensee’s license of suspension until Licensee obtained a psychosocial evaluation and then placed the license on probation for 3 years (collectively, the “disciplinary period”), all subject to compliance with the terms and conditions set forth in the 2013 Settlement Agreement that included:

a. Paragraph 15.a. of the 2013 Settlement Agreement required that “Licensee shall, within six (6) months from the effective date of this Settlement Agreement, undergo a thorough general psychosocial assessment regarding Licensee’s fitness to practice” and also set forth specific guidelines on how this assessment was to be completed and the results reported to the Committee.

b. Paragraph 16.e. of the 2013 Settlement Agreement states:
During the disciplinary period, Licensee shall timely renew Licensee’s licenses and timely pay all fees required for licensing and comply with all other Committee requirements necessary to maintain Licensee’s licenses in a current and active state.

7. Licensee failed to comply with the requirements of paragraph 15.a. of the 2013 Settlement Agreement in that Licensee did not undergo a psychosocial assessment within the first 6 months of the disciplinary period. 8. Licensee violated paragraph 16.e. of the 2013 Settlement Agreement in that Licensee’s clinical social worker license lapsed on September 30, 2013, due to non-renewal and has not since been renewed. Licensee has failed to keep the license in a current and

active state during the disciplinary period as required by paragraph 16.e. of the 2013 Settlement Agreement.

14. If Licensee fails to comply with the terms of this Settlement Agreement, in any respect, the Committee may impose such additional or other discipline that it deems appropriate, including revocation.

15. This Settlement Agreement does not bind the Committee or restrict the remedies available to it concerning facts or conduct not specifically mentioned in this Settlement Agreement that are either now known to the Committee or may be discovered; nor does it restrict the Committee or the remedies available to it concerning any other violation of Chapter 337, RSMo, by Licensee not specifically mentioned in this document.

The parties acknowledge that this paragraph is severable from the remaining portions of the Settlement Agreement in that it survives in perpetuity even in the event that any court or administrative tribunal deems this settlement agreement or any portion thereof void or unenforceable.

21. If no contested case has been filed against Licensee, Licensee has the right, either at the time the settlement agreement is signed by all parties or within fifteen days thereafter, to submit the agreement to the Administrative Hearing Commission for determination that the facts agreed to by the parties to the Settlement Agreement constitute grounds for denying or disciplining the license of the Licensee. SETTLEMENT AGREEMENT

Stacey Schauer ("Licensee"), and the Missouri State Committee for Social Workers ("Committee"), enter into this settlement agreement for the purpose of resolving the question of whether Licensee's clinical social worker license will be subject to discipline.

Pursuant to the terms of § 536.060, RSMo,¹ the parties hereto waive the right to a hearing by the Administrative Hearing Commission of the State of Missouri ("AHC") regarding cause to discipline the Licensee's license, and, additionally, the right to a disciplinary hearing before the Committee under § 621.110, RSMo.

Licensee acknowledges that Licensee understands the various rights and privileges afforded Licensee by law, including the right to a hearing of the charges against Licensee; the right to appear and be represented by legal counsel; the right to have all charges against Licensee proven upon the record by competent and substantial evidence; the right to cross-examine any witnesses appearing at the hearing against Licensee; the right to present evidence on Licensee's own behalf at the hearing; the right to a decision upon the record by a fair and impartial

administrative hearing commissioner concerning the charges pending against Licensee and, subsequently, the right to a disciplinary hearing before the Committee at which time Licensee may present evidence in mitigation of discipline; and the right to recover attorney's fees incurred in defending this action against Licensee's license. Being aware of these rights provided Licensee by operation of law, Licensee knowingly and voluntarily waives each and every one of these rights and freely enters into this settlement agreement and agrees to abide by the terms of this document, as they pertain to Licensee.

Licensee acknowledges that Licensee has received a copy of the investigative report and other documents relied upon by the Committee in determining there was cause to discipline Licensee's license, along with citations to law or regulations the Committee believes were violated.

For the purpose of settling this dispute, Licensee stipulates that the factual allegations contained in this settlement agreement are true and stipulates with the Committee that Licensee's clinical social worker license, numbered 2012003643, is subject to disciplinary action by the Committee in accordance with the provisions of Chapters 621 and 337, RSMo.

Joint Stipulation of Facts and Conclusions of Law

1. The Committee is an agency of the state of Missouri, created and existing pursuant to § 337.622, RSMo, for the purpose of carrying out the provisions of §§ 337.600 through 337.689, RSMo.

2. Licensee, Stacey Schauer, is a natural person residing at 15805 W. 125th Terrace, Olathe, Kansas.

3. Licensee is a licensed clinical social worker, license number 2012003643, which was at all times relevant herein, and is now, current and active.

4. In May 2012, the Committee received a complaint alleging that Licensee had engaged in a sexual relationship with a client.

5. In the subsequent investigation initiated by the Committee:

- a. In a July 16, 2012 letter to the Committee, Licensee responded to the complaint and admitted to having a sexual relationship with a former client. Licensee stated in the letter that she worked with the client from August 2011 through November 11, 2011 and that the sexual relationship began in December 2011. Licensee admitted in the letter that she had violated the social worker code of ethics and indicates that she has chosen to terminate the relationship with her former client. Licensee indicated that she ended the sexual relationship with her former client in July 2012. Licensee subsequently admitted the same to the Committee's investigator.
- b. The complainant had alleged that Licensee's dual relationship began as early as October 2011, with multiple personal cell phone contacts each day between Licensee and the client. Licensee's cell phone records indicate contact between Licensee and the client multiple times each day through November 2011.
- c. The complainant also alleged possession of a video recording that was taken in a clandestine manner on November 15, 2011, showing Licensee and her former client in a sexual relationship. Licensee stated that she was

not surprised that there may be a video, but maintained that the relationship did not become sexual until December 2011. Licensee's former client admitted to the existence of a video recording.

- d. Licensee's former client admitted to a sexual relationship with Licensee and stated that such relationship began after Licensee's termination from her employment. The former client stated that she and Licensee broke up after the complaint to the Committee was filed and that they were no longer seeing each other.
 - e. Licensee was terminated from her employment in December 2011 for failing to maintain the confidentiality of the protected health information of her client.
 - f. Subsequent to her termination, Licensee sought, but was ultimately denied, unemployment benefits.
 - g. On or about October 22, 2012, Licensee and the Kansas Behavioral Sciences Regulatory Board entered into a Consent Agreement and Order suspending her Master Social Worker license for two (2) years, with such suspension stayed provided Licensee followed the terms and conditions of the Consent Agreement and Order. Such discipline was based upon Licensee's unprofessional conduct of entering into an intimate relationship with a former client. Such conduct had been self reported by Licensee to the Kansas agency.
6. State regulation 20 CSR 2263-3.010(1) provides:

The ethical standards/disciplinary rules for members of the profession, as set forth hereafter by the committee, are mandatory. The failure of a member of the profession to abide by any ethical standard/disciplinary rule in this chapter shall constitute unethical conduct and be grounds for disciplinary proceedings.

7. State regulation 20 CSR 2263-3.020 provides, in pertinent part:

(2) No member of the profession shall—

- (A) Violate any ethical standard/disciplinary rule;
- (B) Circumvent any ethical standard/disciplinary rule through the actions of another;
- (C) Engage in conduct which is dishonest, deceitful, or fraudulent;
- (D) Allow the pursuit of financial gain or other personal benefit to interfere with the exercise of sound professional judgment or skills; or
- (E) Use therapeutic relationships with clients to promote, for personal gain or the profit of an agency, commercial enterprises of any kind.

8. State regulation 20 CSR 2263-3.040 provides in pertinent part:

(1) A member of the profession shall not enter into or continue a dual or multiple relationship, including social relationship, business relationship, or sexual relationship, as defined by the committee, with a current client or with a person to whom the member has at any time rendered psychotherapy (clinical social work) or other professional social work services for the treatment or amelioration of mental and emotional conditions. Business relationships do not include purchases made by the member from the client when the client is providing necessary goods or services to the general public, and the member determines that it is not possible or reasonable to obtain the necessary goods or services from another provider.

...

(2) A member of the profession shall be alert to and avoid conflicts of interest that interfere with the exercise of professional discretion and impartial judgment.

...

(4) A member of the profession should be aware of his/her own mental health and emotional stability and the effect those have on his/her ability to provide appropriate services to clients. A member of the profession shall not undertake or continue a professional relationship with a client when the competency of the member is or

reasonably could be expected to be impaired due to mental, emotional, physiologic, pharmacologic, or substance abuse conditions. If that condition develops after a professional relationship has been initiated, the member shall notify the client in writing of the termination of services and shall assist the client in obtaining services from another professional.

9. Section 337.630, RSMo, provides, in pertinent part:

2. The committee may cause a complaint to be filed with the administrative hearing commission as provided by chapter 621 against any holder of any license required by sections 337.600 to 337.689 or any person who has failed to renew or has surrendered the person's license for any one or any combination of the following causes:

...

(6) Violation of, or assisting or enabling any person to violate, any provision of sections 337.600 to 337.689, or of any lawful rule or regulation adopted pursuant to sections 337.600 to 337.689;

...

(13) Violation of any professional trust or confidence;

...

(15) Being guilty of unethical conduct as defined in the ethical standards for clinical social workers adopted by the committee by rule and filed with the secretary of state.

...

4. After the filing of such complaint, the proceedings shall be conducted in accordance with the provisions of chapter 621. Upon a finding by the administrative hearing commission that the grounds, provided in subsection 2 of this section, for disciplinary action are met, the committee may censure or place the person named in the complaint on probation on such terms and conditions as the committee deems appropriate for a period not to exceed five years, or may suspend, for a period not to exceed three years, or revoke the license.

10. Licensee's actions as set forth in paragraphs 4 through 5 constitute violation of lawful rules and regulations adopted pursuant to §§ 337.600 to 337.689, RSMo, as set forth in paragraphs 6 through 9, for which the Committee has cause to take disciplinary action against Licensee's clinical social worker license.

11. Licensee's actions as set forth in paragraph 4 through 5 constitute violation of any professional trust or confidence, for which the Committee has cause to take disciplinary action against Licensee's clinical social worker license.

12. Licensee's actions as set forth in paragraph 4 through 5 constitute being guilty of unethical conduct as defined in the ethical standards for clinical social workers adopted by the committee by rule and filed with the secretary of state, for which the Committee has cause to take disciplinary action against Licensee's clinical social worker license.

13. Accordingly, cause exists for the Committee to take disciplinary action against Licensee's clinical social worker license under § 337.630.2(6), (13) and (15), RSMo, and regulations 20 CSR 2263-3.010, 20 CSR 2263-3.020 and 20 CSR 2263-3.040.
