

Health Care Professionals Needed Urgently

Missouri is working tirelessly to ensure that our health care system has the right resources and staff to meet rising needs related to COVID-19, but we can't do it alone.

We are calling on all health care professionals to heroically step up to the front line and join a critical reserve unit that will be instrumental in providing care to high need areas across the state. Your efforts can help save the lives of fellow Missourians.

Individuals are needed with backgrounds in the fields of:

- Medicine
- Nursing
- Allied Health
- Dentistry
- Biomedicine
- Laboratory Science
- Logistics
- Communications

Individuals are asked to consider this opportunity even if they:

- are a health care student or graduate
- are a retiree of the healthcare workforce
- have a recently expired professional registration

Health care professionals should apply online through the link below. Even if they are not contacted right away, their services could make a significant difference in the future of this fight as the situation evolves. Your fellow citizens need your help now more than ever before.
